SENATE TAKES UP APPROPRIATIONS

Lieut.-Gov. Bush Continues Tactics to Delay Action, With 2 Days of Session Left.

TAX BILL GOES TO THE HOUSE

Amendments of Senate, Which Passed Measure, 27 to 23, Must be Acted Upon.

(By United Press.)

Indianapolis, Ind., Mar. 7.—With only two more working days before adjournment, the legislature today again speeded up action on important matters.

The senate as a committee as a whole took up the general appropriation bill. The first action taken was on motion of Senator Van Aken to cut out the appropriation of \$15,000 for conducting a state normal at Winona.

Lieut. Gov. Bush asked why the appropriation was carried in the bill when the increases were not greater over two years ago. Senator Munton, member of the legislative visiting committee, explained that the high cost of materials, labor and supplies warranted greater appropriations for all institutions. Efforts by Bush to have the appropriation for erection of a hospital for insane cut \$20,000 failed. He stated, however, that he was not trying to delay action by the senate.

There will be no need of a special session of legislature because of failure to act on appropriation bills, he said.

The tax bill as passed by the senate was sent to the house for acceptance of the amendments.

The new highway commission bill was sent to the governor for his signature following concurrence in the senate amendments in the house.

The Deem anti-red flag and Bolshevik bill and other measures also went to the governor for his signature.

The Duncan bill changing the primary election date to March was killed by the house.

After the Indiana senate sitting as a committee of the whole had spent practically two days reshaping.

ARE ARRESTED SOON AFTER THE CEREMONY

Miss Lois Kennedy, Formerly of Arlington, and Vernie Pitcher, Taken to Connersville

MARRIED HERE YESTERDAY

Vernie J. Pitcher and Miss Lois Kennedy of Connersville were arrested here late yesterday afternoon by the Connersville police. The couple was married yesterday morning by the Rev. L. E. Brown. Miss Kennedy gave her age as 18 when as a matter of fact she was only 15. She was also under the care of the Fayette circuit court as she was under a suspended sentence from the girls reformatory. Her parents, Mr. and Mrs. Bert Kennedy, were formerly residents of Arlington but had recently moved to Connersville.

Mr. Pitcher is a returned soldier and the charge he will face is the next thing to and almost as serious as "white slavery" it is said. Had Miss Kennedy not been under a suspended sentence, the charge would not have been so serious, but in taking the girl from under the jurisdiction of the Fayette county court and coming to this county for a marriage license, makes the offense a federal one, officials say. They are both held in the Fayette county jail and will be tried as soon as possible. Authorities here think that the girl will be returned to the girls reformatory immediately and that Pitcher will be tried in court.

BOY IS SENT TO PLAINFIELD

16-Year-old Youth Implicated in Thefts at Jesse Drake Store

A sixteen-year-old boy who was implicated in the thefts of merchandise from the Jesse Drake store in West Second street, was sent to the state boys school at Plainfield by Judge Will M. Sparks in juvenile court this morning. The boy was one of a dozen who broke into the store, which has been closed since the owner made an assignment, last Saturday night. The names of the boys who were guilty of the robbery were given by the police to Gates Ketchum, who is trustee in charge of the stock of merchandise, and their cases were referred to juvenile court.

TAXPAYERS NOT ENTIRELY RELIEVED

Taxpayers Must Take Initiative And Not Depend All Together Upon The Revenue Men

COLLECTORS TO GO SATURDAY

Must Fill in Forms to Best of Ability Asking Experts Questions Only When in Doubt

While the bureau of internal revenue is sending every county in the United States experts to aid in the making out of income tax returns, it is not to be supposed that these officers are to relieve taxpayers all together of their duty in this respect. Many persons, according to J. J. Keene, one of the deputy collectors now at the sheriff's office, without even taking the trouble to glance over the forms, hand them to the revenue officers expecting them to make out the complete return. This necessitates a number of questions which only the taxpayer himself can answer, such as, "Were you in 1918 married and living with wife or husband?"

Taxpayers are urged to read carefully the instructions and fill in the forms to the best of their ability leaving to the experts only such questions as to which they may be in doubt. On each form is printed the following:

"If you need assistance go to a deputy collector or to the collector's office, but first read instructions and fill out this sheet in pencil as well as you can."

Mr. Keene and C. M. Barnes, also a deputy collector will be here until tomorrow night, their time having been extended two days.

A person who waits for an income tax man to pull his door bell or his coat-tails may find himself a delinquent subject to severe penalties, is the warning sounded today by the internal revenue officials. The duty of getting the payments and the returns in by March 15 lies solely with each individual and corporation liable under the law.

"The bureau has sent every man it can spare directly to the people to aid in an advisory capacity," says a statement from the bureau. "But our men have no time to canvass people at work or in their homes. Every person liable to a tax or a return must take the initiative in performing the duties required by the revenue law. If he needs information, blank forms, or advice, he should seek an income tax officer."

"The big thing now in Income Tax is to get the first payments in between now and March 15. That is the due date, under the new law. Frankly speaking, the Government needs the money to meet its obligations falling due on that date."

"The returns of 1918 income are due at the same time. Either a complete return showing the true tax, or a tentative return of the estimated

MANILLA LOOMS UP AS A "DARK HORSE"

Defeats Fairland Touted as District Tourney Factor, at Franklin This Morning, 35 to 19

RUSHVILLE MAY REACH FINAL

Plays First Game This Afternoon at 4 and is Doped to Meet Shelbyville Tomorrow Afternoon

(Special to the Daily Republican.)

Franklin, Ind., Mar. 7.—Manilla loomed up as the "dark horse" of the high school basketball district tournament here today when the Rush county lads with ease defeated Fairland, Shelby county, which was according to dope, one of the strongest teams in the tournament. Manilla turned the trick with ease and fans were keyed up higher when they realized the possibility of upsetting the dope bucket with an unknown quantity in the tournament. Manilla trimmed Fairland by the score of 35 to 1. Fairland was touted as a possible contestant for district honors.

Franklin, which is expected to work her way to the final game, won the first contest of the tournament this morning by the score of 34 to 3, defeating Southport. Franklin will play Manilla in the first of the semi-finals at 8:30 tonight, and is expected to put Manilla out of the running. According to all the dope, Franklin should dispose of Manilla without any trouble. Franklin has defeated the Shelbyville quintet twice this season and Shelbyville put Manilla out of the invitational tournament at Rushville last Saturday, 23 to 15, after Manilla had defeated Arlington in the preliminaries.

Hopewell and Whiteland are two strong teams which will have to be reckoned with in the final. Whiteland won from Mt. Auburn in the 11 o'clock game and Hopewell was doped to take the one o'clock game from Edinburg, which would result in the elimination of one of these contenders, because they will meet at eight o'clock in the morning. This means that one of these teams will likely be bumped off at two tomorrow afternoon when they will meet the winner of tomorrow morning's ten o'clock game, which in all probability will be Franklin.

The Rushville high school basketball team went to Franklin this morning confident of breaking into the final with the Franklin high school in the district tournament tomorrow night. Barring any unexpected mishaps, Rushville should defeat Nineveh at four o'clock this afternoon which is the last of the preliminary elimination games. Likewise, Rushville will have no difficulty in the semi-finals when she will stack up against either Arlington or Boggsstown tomorrow morning at ten o'clock. The real test will come Saturday afternoon at three o'clock when Rushville will be one of the teams in the semi-finals. It is equally as certain that Shelbyville will be the other team because she will meet no opposition of any consequence until this game. The winner of this contest will have to beat Franklin in the final Saturday night at eight o'clock. It is regarded as certain that Franklin will get to the final because she will not have any stiff games because Rushville, Franklin and Shelbyville are doped as by far the strongest quintets in the tournament.

Milroy and Moscow at Richmond

The Milroy basketball team went to Richmond this morning with the intentions of winning the district honors, according to word received through the Milroy Press. Sixteen teams will take part in the tourney at Richmond. Connersville, Milroy and Moscow will be the teams repre-

SKINS AND HANGS THEM UP TO DRY

Evangelist Says Majority of Hypocrites are Associated With Things Opposed to Church

THEY ARE ALL COUNTERFEITS

"The Duce Preacher and Some Sensationalism" is Subject for M. E. Revival Sermon Tonight.

Last night's revival service at the St. Paul's M. E. church was the "Red Letter" one up to this time when the main auditorium was packed to hear Evangelist Miller's sermon on "Hypocrites Properly Skinned". From the beginning of the song service to the last word of the sermon, interest and enthusiasm were manifested by the entire congregation.

The first half hour of the meeting was given over to the song service led by the chorus choir, which grows with each meeting, and under the leadership of the Rev. C. S. Black sings very beautiful numbers from the new song book at each service. This evening promises to be another interesting service when the evangelist will preach on "The Duce Preacher and Some Sensationalism". It will begin promptly at 7:30 o'clock.

Last evening's sermon by Evangelist Miller was said by many there to have exceeded all his previous talks, and his frank personality was at its best in scathing hypocrites. Mr. Miller's ability in driving home with such success the telling truths of his sermons lies in the fact that his sermons are sparkling with wit and sarcasm that hold attention and interspersed with pathetic touches throughout.

Last evening Mr. Miller defined the word "hypocrite" according to the dictionaries, and said it was a matter of common impression that the word applied entirely to people who are making false religious pretensions, when as a matter of fact, the word is properly applied to people in any walk of life who are pretending to be what they are not. By further explaining and using striking illustrations, he made it very plain that there are hypocrites in business, in politics, social circles, and even in the home, and that although the charges often heard against the

BOY'S DOG "TREES" THE WOLF IN A LOG

Circleville Youth Stays With it When Others Abandon Chase and Realizes a "Profit."

FOUREEN DOGS IN THE HUNT.

The Wolf hunt staged by Oneal Brothers yesterday afternoon in connection with their spring opening was well attended, although it was not as exciting as some expected. Owners of dogs from all over the county were on the scene at two o'clock and fourteen dogs were anxious to get up and at him. The wolf was given a fifteen minute start and although it was not in such a hurry as wolves usually are it got a fair start on the dogs.

The wolf took a course down Flatrock and at five o'clock yesterday evening was captured near Webb's Ford by a Circleville boy, whose dog "treed" it in a log. The animal was brought back to Rushville by the boy and sold to a stranger, whose name Oneal Brothers did not learn. Perhaps the new owner will have a private hunt some time when there is no one around to witness it. Denny Ryan's Airdale was the champion dog of the chase, according to the best reports available today.

FUNERAL IS HELD TODAY

Services at Milroy For Martha Rariden, Who Died at Madison

The funeral services for Miss Martha Rariden, age 49, who died at the Craigmont hospital in Madison yesterday morning, were held at the Christian church in Milroy at two o'clock this afternoon and burial was made at the Milroy cemetery. The Rev. Mr. Cady had charge of the services. The body was brought to the home of Mrs. Pete Pool, Miss Rariden's niece, last night. She had been at the Craigmont hospital only two weeks. She is survived by two brothers, Charles of Williamstown and Church who is an inmate of the county infirmary.

REFUSE USE SHIPS FOR U. S. TROOPS

German Delegates at Economic Conference Willing is Allies Guarantee Food Supply

NEW PROBLEM FOR DELEGATES

Peace Conference Believes People of Bohemia and German-Austria Should be Fed.

(By United Press.)

Paris, Mar. 7.—A distinct impression prevailed here today that the American opposition toward the league of nations covenant will show considerable relaxation after President Wilson resumes work in Paris.

His speech in New York just before sailing was the subject of favorable comment among the French. Some officials appeared more hopeful that the desired French amendments to the covenant would be more acceptable to Wilson.

Aboard the Steamship, George Washington, Mar. 7.—President Wilson was overjoyed at the message from Secretary Daniels and Secretary Tumulty reporting the facts of the election of a democrat running on a league of nations platform in a Pennsylvania special congressional election.

The George Washington was about 800 miles out this morning.

Paris, Mar. 7.—Flat refusal of Germany to permit its ships to be used for homeward transportation of American troops unless a food supply to last until next August, was first guaranteed by the allies, confronted the peace delegates of the five great powers, when they met this afternoon.

German representatives at the economic conference from Spain, Belgium, informed allied representatives that German merchantmen would not be turned over unless the food supply is guaranteed. Allied missions have returned here for further instructions. American members of the mission conferred this morning with United States peace delegates.

It was estimated that \$400,000,000 worth of food would be required to feed the Germans until next harvest. This sum is double the available gold and securities in Germany. Even if the amount available were to be taken, it would cause financial collapse. This brings before the peace conference the question of whether Germany shall be permitted to enter the world trade unimpaired.

The conference took up the proposition of sending food into Bohemia and German-Austria. Means of getting supplies into the district which need them were to be discussed. The population of these territories, it is stated, must be kept.

It was learned that the decision to destroy the German submarines

CONTRACT TO BE LET TOMORROW

Commissioners to Receive Bids on Interior Decoration and Outside Repair of Court House

APPROPRIATION OF \$8,000

Proposed Plan to Install New Light Fixtures Abandoned Because Sum Was Cut \$2,000

The contract for redecorating the interior of the court house and making some repairs on the outside of the building will be let by the county commissioners tomorrow, providing any of the estimates are inside the appropriation of \$8,000 made in January by the county council. Bids will be received up until ten o'clock in the morning.

The plans and specifications on file in the county auditor's office do not provide for the installation of new lighting fixtures, but the commissions had planned to make this improvement if the county council had not cut the appropriation. They asked for \$10,000 which they estimated would make the needed repairs, but when the council appropriated only \$8,000, the original plans had to be changed, with the result that the old light fixtures will have to serve the purpose for the present.

There seems to be little question about the need of new lighting fixtures, because they were installed twenty-one years ago and are very much out of date. Many improvements have been made in interior lighting since that time. Some of the offices in the court house are very poorly lighted and officials have to make the best out of improvised arrangements, such as running individual lights to desks with strings.

The plans and specifications for the decorating provide that the window frames, door sash, stern fronts and doors shall have two coats of paint. All woodwork is to be scraped, sandpapered and dusted and window sash are to be repainted after the first coat. The shade of the paint on the exterior will be a light stone color to match the exterior stone. The oak doors

GRAND JURY IS CALLED TO MEET WEDNESDAY

Two Names Are Drawn to Take Places of Those Excused—Big Damage Suit Dismissed.

CASE HEARD BY COURT TODAY

Judge Sparks has ordered the grand jury to report next Wednesday. This is the first time the grand jury has been called this term of court. The jury commissioners drew the names of William O. Frazee and Guy Gordon of this city to take the places of Boone Power and Thomas J. Addison, who were excused from service on the grand jury.

The case of Delta W. Hinckman against Hugh Jones for \$5,150 damages was dismissed yesterday and the costs paid. The suit was the result of an accident last fall when Jones' machine hit Hinckman's motorcycle at the entrance to the bridge over Flatrock, south of Rushville, knocking Hinckman off and breaking his leg.

The case of Ora E. Maple against Frank M. Edwards as administrator of the estate of George C. Hulse, T. E. Hulse, Theresa Hulse and Fannie Nevin to set aside a deed, was heard by Judge Sparks today. Mr. Maple won a judgment for \$2,000 against the Hulse estate and it is alleged by him that the late Mr. Hulse decided his property to his daughter, Mrs. Nevin, to escape paying his debts.

WIFE DEAD; HE HAS "FLU"

Charles W. Robinson, Formerly of This City, Meets Misfortune

Word has been received here by friends of Charles W. Robinson of Lorain, Ohio, stating that he was seriously ill with the influenza pneumonia, his wife having died the first of the week with the same disease. Mr. Robinson is well known in this city, having lived here for some time, and was a member of the Odd Fellows lodge. He worked in the ice plant here before going to Ohio. Mr. Robinson is now superintendent of the ice plant in Lorain.

Dormant Spray Must be Used Before Buds Start on Trees

The time is here for the application of the dormant spray. This is one of the most important sprays for fruit trees. The health and vigor, and even the life of the trees, may depend upon this application. "Scale insects and the scores of certain diseases which are a serious menace to the trees may be controlled by the application of sprays of a strength you would not dare use after the foliage starts," says county agent Detrick.

"Lime sulphur solution is the most commonly used for this spray and should be diluted, one gallon to six or seven gallons of water or until it will test 5 degrees Baume. Mistle oils are also successfully used by some for this spray, but care must be used in their preparations as free oil in the mixture may be harmful to the trees. The oil sprays should be diluted according to manufacturers' instructions. It is very important that this work be done thoroughly. Do not expect to do a good job of spraying from one side only. Neither can satisfactory work be done by driving down the row, without stopping the team. See that every part of the tree is completely covered.

"Prepare to do this now for it will be too late when the buds start. Do not be deceived by patent nostrums to be sprinkled upon the ground or inserted in a hole in the body of the tree and guaranteed to kill insects and diseases incident to tree life."

BATTLE RAGES IN STREETS OF BERLIN

Government Troops Fight Spartacans, Both Sides Using Various Implements of Warfare.

ARE SCORES OF CASUALTIES

(By United Press.)
Berlin, Mar. 7.—A battle raged Thursday afternoon in the streets around police headquarters, which was besieged by the rebels. Government troops fought with the Spartacans. Both sides used machine guns, armed motor trucks, tanks, airplanes and poison gas. Scores of casualties were reported, including many civilians.

Street fighting attempts were renewed with violence Thursday afternoon. After the rebels appeared to have been crushed and radical leaders admitted defeat, the Spartacans rallied. The general strike seems to be gaining strength.

Many republican guards were wounded in the street fighting in various parts of the city. The scenes of disorder, however, were still widely scattered.

Government mastery of the situation, evident a few hours ago, seemed precarious. The fighting continued.

FORMER LOCAL BOY RETURNS

Son of T. R. Powell, Who is Visiting Here is Back From France

T. R. Powell of Kokomo, who is visiting his mother, Mrs. James A. Powell of West Second street, has received word from his son, Bernard, who was reared in this county, and who returned from France last week. Bernard served several months with the A. E. F. and is stationed at Camp Sherman, Ohio, expecting a discharge at most any time. His letter states that he came home on the transport Manchuria, and that the vessel had an extremely rough passage, having to drive through an ocean storm for three days and nights. Private Powell states that he is proud that he was privileged to serve with the A. E. F. but is anxious to get home and don citizens clothes again.

TO RELIEVE ADMIRAL SIMS

Admiral Knapp Will be Sent to London May 1, Daniels Announces

Washington, Mar. 7.—Admiral Knapp will relieve Admiral Sims at London May 1, Secretary of Navy Daniels announced today. Admiral Strauss will return to Europe shortly to direct the sweeping of mines in the North Sea. Admiral Niblack, who is being returned from the Mediterranean, will be chief of navy intelligence. Naval officials expected that three of the German merchant ships, which will be converted into transports, will be available this week.

ONLY FOUR HOOSIERS LISTED

Washington, Mar. 7.—The following casualties for today are reported by the commanding general of the American Expeditionary Forces: Killed in action, 4; died of accident and other causes, 20; died of disease, 95; died from wounds, 9; died in airplane accident, 1; wounded severely, 34; missing in action, 5; wounded slightly, 40; wounded degree undetermined, 38; total, 246.

Four Indiana men were listed as casuals as follows:
Wounded severely—Private John B. Mitchell, Wheatfield.
Died of disease—Private Will Chatman, Gary; Private Raymond D. Herner, Madison.
Wounded, degree undetermined—Private Floyd White, Guolford.

Willard
STORAGE BATTERY
SERVICE STATION

Of Course You're Not a Chemist

Fortunately you don't need to be a walking encyclopedia in order to get the best out of your battery.

The battery is really the easiest thing on your car to take care of.

You don't even have to know what is inside of it—or what kind of chemical changes go on.

All you have to do is to add pure distilled water once a week or so, keep the battery charged, and don't overheat it.

You can take your own hydrometer reading if you like. When readings seem too low, or your start lacks snap, drive your car around and let us locate the trouble.

Don't Let Worms Kill Your Hogs

Free intestinal and stomach worms are those that do not attach themselves to the intestines or stomach. Worms which attach themselves to the stomach or intestines are properly called "Blood Suckers" and nothing will expel the "blood sucking worms" after they are formed.

The Thorn Headed Worm is a "blood sucker" and nothing will expel them after they are formed. They have a mass of thorns or hooks about the head and not only attach themselves to the intestines, but bury the head into and clear through the intestines. THE THORN HEADED WORM can be positively prevented by feeding ACME WORM BOUNCER from birth to maturity.

Time Brings Joy And Happiness

As the Hours Pass the Coming of
 Baby Draws Nearer—Are
 You Prepared?

No woman awaiting the joy of coming motherhood should allow the days to pass without using the wonderful penetrating application, Mothers' Friend.
 By its regular use throughout the period the system is prepared for the coming event and strain and tension is relieved. It renders the broad, flat abdominal muscles pliant and they readily yield to nature's demand for expansion. As a result the nerves are not drawn upon with that peculiar wrenching strain, and nausea, nervousness, bearing-down and stretching pains are counteracted. The abdomen expands easily when baby arrives and the hours at the crisis are naturally less. Pain and danger as a consequence is avoided.
 Mothers' Friend not only allays distress in advance, but assures a speedy recovery for the mother. The skin is kept soft and smooth and natural and free from disfigurement.
 Write to the Bradfield Regulator Company, Dept. J, Lamar Building, Atlanta, Georgia, for their Motherhood Book, and procure a bottle of Mothers' Friend from the druggist. It is just as standard as anything you can think of.

 at the entrances are to be cleaned, scraped, refilled and then be given two coats of varnish.
 The plans for the interior provide that the woodwork shall first be cleaned, the window sills, sash, frames and baseboards scraped and refilled to match the present oak finish. After being scraped, sandpapered and dusted, the woodwork will receive a good coat of rubbing varnish, the sills and other parts to be given two coats where needed. It will then be rubbed to a dull finish after it is dry.
 The contractor must agree to

protect all floors, wainscoting, casing, walls and ceiling from damages, he being held responsible for any damage that is done.
 The plans say that the contractor shall bring all goods on the premises in sealed packages and that they shall be open to inspection at all times. The interior decorations cover all the lobbies, corridors and rooms with the exception of the public library on the first floor, which was redecorated a few years ago. It was also equipped with an indirect lighting system at that time.
 The contractor is to bid a lump sum for the interior work and a lump sum for the exterior work. All necessary exterior joints in the stone work in the base of the court house, including the ornamental pedestals, are to be pointed up with cement grout. The joints from the ground line to ten feet above the ground, where the mortar has fallen out or is otherwise in bad condition, will be repaired. All outside steps, landings and stone curbs at the side of the same, are to be placed in their original positions by removing them where necessary and building concrete wall supports beneath them. The mantle at the southwest corner of the court house is also to be repaired.

TAXPAYERS NOT ENTIRELY RELIEVED

Continued from Page One
 tax, must accompany each and every payment made between now and March 15.
 "The tentative return of estimated tax is a relief measure adopted by the Bureau for taxpayers who cannot complete their full returns on time. A taxpayer who needs additional time for making a return cannot be relieved of the payment of the tax due, or the estimated tax due. But, on making the required payment between now and March 15, the taxpayer can secure further time up to 45 days in which to file the complete return.
 "The Bureau in this way meets the convenience of taxpayers who are pressed for time but it cannot relieve them of the requirement that their taxes due on March 15 must be paid between now and the due date.
 "It is urged that every taxpayer who can do so make payment in full when filing his return. This method will greatly aid the Revenue offices, and relieve the taxpayer of the necessity of guarding against oversight on future installment dates.
 "In each case where payment in full is not made, the first payment must be at least one-fourth of the total tax due, or at least one-fourth of the estimated tax due. No matter which of these methods is used in paying taxes due March 15, the payment must actually be in the collector's office by the due date, accompanied by a return."

DRY FORCES WANT FLOOR LEADERSHIP

Unable to Win Speakership, They
 Advance Rep. Mondell For a
 More Important Position

JOIN WITH SUFFRAGE FORCES

(By United Press.)
 Washington, Mar. 7.—Prohibition and suffrage forces in the house, defeated in their attempts to put one of their number in the speakers chair today were demanding the floor leadership.
 Representative Mondell, Wyoming, is the candidate they are putting forward for the position, which in many ways carries a heavier burden than the speakership itself.
 Mondell will begin his twelfth term as congressman in the next congress.
 Leaders differ on whether the committee on committees which will continue in session for the next few days to draw up a house organization, will choose a floor leader or wait until just before the new congress meets. Mondell believes the selection should be made now while Representative Longworth, of Ohio, wants it put off.

SKINS AND HANGS THEM UP TO DRY

 church are founded on some deplorable examples of hypocrisy, the fact that the majority of hypocrites is overwhelmingly identified with associations that are opposed to the church and its noble work of uplifting and blessing mankind. He said a hypocrite is a counterfeit of moral values just as a counterfeit coin is substituted for good money.
 Old-fashioned cookies, wrapped six in a package as they come hot from the ovens of a huge French bakery, are handed out to the doughboys at the rate of 200,000 a day by the Red Cross.

MANILLA LOOMS UP AS A "DARK HORSE"

Continued from Page One
 sented from this section.
 Moscow was scheduled to play Whitewater this afternoon at four o'clock. Milroy considers Connersville its strongest opponent and have strong hopes of going into the final. Moscow and Milroy both played in the invitational tourney here last Saturday, Milroy being put out of the running by Rushville in the first game of the morning and Moscow was defeated by the Morris-town quintet.
 The teams that will take part in the tourney at Richmond are: Hagerstown, Greentown, Richmond, Farmland, Cambridge City, Modoc, Economy, Fountain City, Stoney Creek, Brookville, Moscow, Whitewater, Ridgeville and Liberty.
 Recently 700 graves of American boys at Toul were decorated with sheaves of flowers made by American Red Cross workers. Near the Lorraine front 1000 more graves were similarly decorated.

French Sacrifice For Liberty Heroic

Six millions of French sons have offered their lives that democracy might live. 30 million other French men and women sacrificed their all for the same purpose. America's debt of gratitude to France for this is very great. We also are indebted to her for an invaluable remedy for stomach, liver and intestinal ailments discovered by her peasants, which it is reported has saved many American lives and prevented thousands of surgical operations. Geo. H. Mayr, for many years a prominent Chicago chemist, imports the ingredients and sells this remedy under the name of Mayr's Wonderful Remedy. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal ailments including appendicitis. One dose will convince or money refunded. Wheat and Foodstuffs.

Well, Mr. High-Cost-of-Living is getting some serious blows nowadays. He is beginning to feel the effect, but the process will be a slow one, and it will be some time before he is ready to throw up the sponge.

The high prices of the last two years have encouraged production in this country tremendously. We have had great crops of wheat and corn and heavy production of beef and pork.

The calls of the allies have lessened and the United States government will require less and less as the army demobilizes. The result will be a gradual further lowering of prices.

Just now the factor in keeping them up seems to be the government's guarantee of the price of \$2.26 for the 1919 wheat crop. Wheat is a standardizer. It keeps up the

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.

prices of other grains and of feed and consequently of beef and pork.

But the same cause does not operate in other countries. We may be put in the anomalous position of paying \$2.26 for wheat when it sells in the Argentina for not much more than half that price.

The government must keep faith with the farmer. He has been loyal and willing and has planted wheat at the government's request.

Two courses are suggested,—one that the government should buy the wheat at \$2.26 and sell it at the market price. The other suggestion is that the government should pay the farmer the difference between \$2.26 and the price at which he sells his crop. Either way would give us wheat, and consequently flour and bread, at lower prices, and also safeguard the farmer. The loss would ultimately come out of the pockets of the taxpayer.

No More German Dyes.

What cannot the United States do when she tries? Before the war Germany practically controlled the textile industry of the world, supplying four-fifths of the dyes used. The United States paid Germany every year \$25,000,000 for the dyes she imported. When this trade was cut off the American textile manufacturers were in great perplexity. Experimentation began at once, but for a long time above all counters of dress goods and in every garment department of the great stores were displayed the signs:—"No colors guaranteed fast".

Now these signs have disappeared. Good American-made dyes in fast colors and all beautiful shades have been produced, and we shall never again need to depend on Germany for our dyes.

The era of fighting is over and the era of investigation is well begun. To prevent unemployment we would suggest that each soldier as he is discharged should be placed on an investigating committee.

No one can be in two places at once. Congressman-elect Berger of Wisconsin fully expected to spend some time in congress. But an important engagement for twenty years at Fort Leavenworth is likely to prevent.

Our army in France seems to have had much more courage than artillery and a much larger stock of moral strength than of aeroplanes.

If the present eruption of Bolshevik marksmen continues, becoming a prime minister in Europe will be equivalent to taking out a burial permit.

General Pershing's attitude toward a possible presidential nomination

Sap and Salt

By BERT MOSES

God made the common people but man made the kings.

A cocktail lifts you up gently, but sets you down hard.

If we can't be decent without codes of ethics, we can't be with them.

Hez Heck says: "Women are sometimes so contrary they oppose the things they are in favor of."

Great men are those who do one thing big enough to divert attention from their many mistakes.

To master the Art of Doing Things Well you must first master the Art of Hurrying Slowly.

A gentleman is one who takes a kindly interest when the women folks are discussing the best way to make prune flip.

tion is most praiseworthy. It is seldom that a man is so absorbed in his own proper business as not to need the lure of a G. O. P. nomination.

NEWS OF COLORED FOLKS

The Modern Priscilla club met with Mrs. H. Bundrant yesterday evening with Mrs. Bundrant and Mrs. Hammonds as hostesses. After the general routine of business and needlework was laid aside, the evening was spent with music and games. Another surprise was planned for the bride elect. Each person present was given a slip of paper on which told the person to look a certain place. All returned empty-handed except Mrs. L. Newsome, who found two victrola records, the gift of the club. In another contest Mrs. Henry Miller was the winner and was presented with a picture which she presented to the guests Mr. and Mrs. H. Richardson of Detroit, Mich. At the close of the afternoon a dainty luncheon was served.

WHEEL LETS GO; MAN DIES

Anderson, Ind., Mar. 7.—Arthur Padgett, 35 years old, was killed instantly yesterday afternoon when a flywheel burst on a ditching machine on which he was working near Markleville. A piece of the wheel struck him in the head. Coroner Sells investigated the accident. Mr. Padgett had lived near Markleville all his life. He is survived by a widow and three children.

"OH, IF I COULD BREAK THIS COLD!"

Almost as soon as said with Dr. King's New Discovery Get a bottle today!

The rapidity with which this fifty-year-old family remedy relieves coughs, colds and mild bronchial attacks is what has kept its popularity on the increase year by year.

This standard reliever of colds and coughing spells never loses friends. It does quickly and pleasantly what it is recommended to do. One trial puts it in your medicine cabinet as absolutely indispensable. 60c and \$1.20.

Bowels Usually Clogged?

Regulate them with safe, sure, comfortable Dr. King's New Life Pills. Correct that biliousness, headache, sour stomach, tongue coat, by eliminating the bowel-cloggers. 25c.

DAN CUPID AMONG LIST OF LOBBYISTS

Is Not Registered With Secretary of State Because He Receives no Reward

MUNTON BILL IS STILL UP

Senator Munton, Who Was Recently Married, is Cause of Cupid's Latest Adventure

(By United Press.)

Indianapolis, Ind., Mar. 7.—Dan Cupid is included in the list of lobbyists at the Indiana legislature but is not among those registered with the secretary of state, owing to the fact that he claims he receives no financial rewards for his labors in the corridors of the state house during sessions of the general assembly. Senator O. J. Munton, of Kendallville, who recently married is the cause of Cupid's latest adventure. The Munton bill provides that couples planning matrimony must visit a physician before obtaining a marriage license. It also requires the presentation of a certificate from a reputable physician as to the physical condition of both the man and woman before the clerk is permitted to issue a marriage license to them.

The certificate of the physician must set forth the fact that neither of the parties have a transmissible disease, are feeble minded or have tuberculosis, and must be presented to the clerk within thirty-six hours after the examination is made.

The Munton eugenics measure is in line with other health measures which have been introduced in the house and senate, several of which are still pending. The Aldredge bill provides for physical training of children in all schools in all cities of the state having a population sufficient to warrant such classes. The Aldredge bill was introduced for the purpose of preserving and bettering the physical condition of the future generations of the state and is in direct accord with the eugenics bill.

GRAPHIC STORY OF LINER SINKING TOLD

Thrilling Description of Destruction of Lusitania Feature of Welsh Co. Program

CONCERT PLEASES BIG CROWD

The Royal Welsh Concert company entertained a large and appreciative audience at the Main Street Christian church last night. The feature of the appearance of the Welsh singers was a very descriptive story of the sinking of the Lusitania by a German submarine. The story was told by Risea Williams, a member of the company who was aboard the ill-fated liner. He in company with eight other Welshmen who were returning to their native land, experienced a thrilling adventure on the open sea after the Lusitania had been sunk. According to Mr. Williams' story, he was drawn far down under the water by the suction when the liner went down. He clung to a piece of wreckage and was finally rescued. The horror of the night when the passengers were in a panic, when many leaped overboard and others were killed as the life boats were crushed at the side of the vessel, was graphically pictured by Mr. Williams.

Not the least important of the entertainment, however, was the singing of the Welshmen, who displayed their native ability as singers with a concert of great merit which was greeted with liberal applause.

HELD ON MURDER CHARGE

Seymour Ind., March 7.—Charles Pritchard, 62 years old, a laborer, was arrested here yesterday afternoon on a grand jury indictment charging murder in the first degree in connection with the death of his wife on Jan. 10, 1918. The woman was found dead in bed. The coroner's verdict was that her death was due to excessive alcoholism.

Gas masks are used now as protection against firedamp in British collieries.

Every piece very heavy and absolutely guaranteed.

E. E. POLK
HARDWARE

The World's Tractor

This one man single unit two wheeled Tractor weighs 1700 pounds and in ten hours will plow four acres. Disc twenty acres with a seven-foot tandem disc. Harrows forty-five to fifty acres with a 15-foot harrow. Plant twenty to twenty-five acres of corn, cultivate 20 acres with a two-row cultivator. Harvest ten acres with a corn binder. Cut twenty acres of wheat with an eight-foot binder. Mow fifteen acres with five-foot mower rake or pull a hay loader; and in addition can be used for belt work not requiring to exceed ten to twelve horse power.

This Tractor has been in use for four years and is not an experiment. It is superior in every detail of construction.

When the Indiana Silo Company went into the Tractor business four years ago, they found the trouble with Tractors was that they were always laid up for repairs. They have solved that part; they have so constructed it so as to reduce repair bill to a minimum and is so simple any boy can operate.

Tractor will be in Rushville, Saturday, February 15th, and will be more than pleased to demonstrate it as soon as weather permits.

How Long Must I Suffer
From the Pangs of Rheumatism?

Is there no real relief in sight? Doubtless like other sufferers, you have often asked yourself this question, which continues to remain unanswered. Science has proven that your Rheumatism is caused by a germ in your blood, and the only way to reach it is by a remedy which eliminates and removes these little pain demons from your blood. This explains why liniments and lotions can do no permanent good, for they cannot possibly reach these germs which infest your blood by the millions. S. S. S. has been successfully used for Rheumatism for more than fifty years. Try it to-day, and you will find yourself at last on the right track to get rid of your Rheumatism. You can get valuable advice about the treatment of your individual case by writing to the Chief Medical Adviser, Swift Specific Co., Dept. D, Atlanta, Ga.

Janesville Sulky Plows

JANESVILLE Riding Plows have flexibility in the furrow. The plow bottom oscillates in the frame of the plow with much the same motion found in a walking plow.

The plow bottom hangs over a single bail and you can tell instantly whether you are hitched too high or too low in the clevis, as the result in either case is a rigid running plow.

This flexibility relieves the "pinch" at the plow point as well as along the cutting edge of the share. This reduces draft.

Because of this clean-cut furrow it helps the plow to scour in difficult soils.

The action of the Janesville Plow in the furrow is peculiar unto itself. It is guaranteed to work where any other plow will work under the same conditions, and we have found it has worked when others have failed.

Drop in the next time you are in town.

C. H. (Nick) Tompkins

With The Churches

+Glenwood United Presbyterian: school 1:30 p. m., followed by preaching services at 2:30 an invitation is extended to all.

+Hannegan Christian church: Preaching by the pastor, the Rev. Matthew Small, at both the morning and evening services, and Bible school at 9:45 o'clock.

+United Brethren church: Sunday school at 9:30, Earl Crider, superintendent; preaching services at 10:30 a. m. and 7:30 p. m. by pastor, Emma Miller. Everyone is welcome to attend these services.

+New Salem Methodist Protestant: Bible school 10 a. m., followed by preaching by the pastor. Evening worship 7:30. Mid-week prayer service Thursday evening 7:30 at the church. An invitation is extended to all to attend these services.

+The First Presbyterian church: "Quiet Hour," 7 a. m., with special prayer for the New Era movement; 9:30 a. m., Bible school followed by divine worship at 10:30; 7 p. m. evening service sermon by the pastor. Thursday, 7:30 p. m., prayer meeting, with a New Era talk.

+First United Presbyterian: Bible school 9:30, B. L. Traubne superintendent; public worship 10:45, sermon subject, "The Failure of Demas," Y. P. C. U., 6 p. m., preaching at 7 p. m., subject, "The Ungodly Under Sentence." Congregational prayer meeting, Thursday 7:30 p. m.

+Franklin Methodist: The Minute Man will speak at 2:30 p. m. The pastor will preach at the conclusion of the Minute Man's talk. All are invited to meet at the church in Carthage March 12, 7:30 p. m., to get the benefit of the free stereopticon lecture by the Rev. Earl Bull, illustrating life in Japan, from which who will use one hundred slides illustrating life he has recently returned.

+The Bible school at the Main Street Christian church begins promptly at 9:15. At 10:30 the pastor will speak on "Digging Ditches" and at 7 the theme will be, "Who is on the Lord's Side?" The Juniors meet at 2:30 and the Christian Endeavor Society at 6. At the evening church service chorus choir and orchestra. Thursday, 7:30 p. m. prayer and praise service led by Isom Stevens.

+Arlington Methodist: Bible School 9:30 a. m., Minute Man, Amos Baxter, will speak at 10:30 after which the pastor will give a resume of the work done at the Indianapolis convention, last week: 1st. Cor. 14:10. Junior League 2:00 p. m.; Senior League, 6:00; regular service 7:00 at which Minute Man E. B. Thomas will speak first, after which the pastor will preach on the subject, "The Levites' Inheritance." Prayer meeting every Thursday evening. The district superintendent, the Rev. J. M. Walker, will hold the second quarterly conference at Arlington Saturday of next week, 1:45 p. m.

+First Baptist church, Sunday services: Sunday school at 9:30 a. m.; public worship at 10:45 and 7:00 p. m. The Rev. Selden L. Roberts of Franklin, Ind., will occupy the pulpit at the morning hour. He is the state director of Sunday school and young peoples work. In order that the Rev. Mr. Roberts may have an opportunity to get his work before the church, there will be a meeting of all the workers of the Sunday school and young peoples' society in the church Saturday evening at 7:30. The preaching service Sunday evening will be in charge of the pastor. Baptist Young Peoples Union will meet at six o'clock. Some special numbers have been prepared for this service.

TO USE LIME AS EXPERIMENT

As a result of thirteen samples of Noble township soil being tested yesterday afternoon at New Salem by Marion Detrick, county agricultural agent, several farmers of the township will order a car load of lime to use as an experiment on their land. The samples tested medium acid on down to no acid at all, showing that the soil needs lime, according to the county agent. The testing took place at Perkins and Matney's hardware store and was attended by approximately thirty farmers.

JUDGE SPARKS UPHELD BY SUPREME COURT

Decision in Connersville Telephone Appeal From State Commission is Affirmed

ONE CONCLUSION CHANGED

The state supreme court has upheld a decision of Judge Will M. Sparks in the circuit court here in the case of the Connersville Telephone company against the state public service commission, which required the telephone company to pay \$521 for the expense of a hearing conducted by the commission regarding rates and methods of operating the company. The telephone company appealed from the ruling of the commission to the Fayette circuit court and the case was sent here on a change of venue. Judge Sparks' decision set aside the ruling of the commission and ordered the commission to repay the company for the costs of the hearing, assessed against the company.

The higher court holds that there was no error in admitting additional evidence in the circuit court; nor in hearing evidence in regard to the actual workings of the commission. Furthermore, the supreme court's decision says Judge Sparks did not err in admitting the testimony of an expert telephone accountant. It is pointed out that the law allows the commission to tax the costs of the hearing against the utility only when the finding is against the utility. The local court, however, is instructed to modify the seventh conclusion of law in the judgment, by requiring the commission to pay the costs not from the state funds, but from a special fund appropriated for the commission.

Days Pickings

Mr. and Mrs. Ben A. Cox will move from their home in North Perkins street to Indianapolis in a few days.

A new telephone has been installed at the home of Frank Bender and the telephone number is 1687.

Mrs. Frank Bender, who has been seriously ill with the influenza, is not much improved.

It is believed that a record has been established on the Frank Mock farm south of Rushville where, on Tuesday night, three sows farrowed thirty-six pigs; all but one of which are living. A tried sow farrowed thirteen, a gilt ten and another gilt thirteen.

Miss Mayme Kuntz of this city, who was driving an automobile which ran into a buggy in Connersville last Monday afternoon, fatally injuring the horse, has suffered a nervous collapse as the result of the shock, and has been taken to the home of her parents in Columbia, Fayette county. The horse, which belonged to John Hokey of Connersville, had to be killed after the accident.

What They Need

You just can't keep children from wading in water and tramping through slush and snow, but you can see that they do not suffer with coughs, colds, croup, sore throats or bronchitis following it.

Foley's Honey and Tar is just what they ought to have when they come in, cold and wet, sneezing and coughing. It makes them feel warm and comfortable, tastes good, soothes a raw inflamed throat, and prevents serious results from the wetting and chill.

Mrs. E. J. Bedard, Cowiche, Wash., writes: "Foley's Honey and Tar is the best cough medicine I ever used. I always keep it in the house. A quick cure for coughs and colds."

The Mission band of the Little Flatrock Christian church will meet Sunday morning at 11 o'clock. Miss Elizabeth Newby will be leader.

Mrs. Jack Knecht will entertain the members of the Thursday Afternoon Bridge club tomorrow afternoon at her home in East Sixth street.

The Plum Creek Red Cross Auxiliary will meet Tuesday afternoon at the home of Mrs. Lillie Buell in Gings. Every member is requested to be present to help sew up the garments.

Miss Laverne Boyer was a delightful hostess for the Social Six club yesterday afternoon at the home of her mother, Mrs. Bessie Boyer, in North Jackson street. Music and games were the chief amusements for the afternoon and dainty refreshments were served.

The Pythian Sisters met Wednesday evening in the K. of P. hall in West Second street. An unusually good program was given and after the business session was over the remainder of the evening was spent socially. One of the special features of the evening was a vocal solo by Pearl Wamsley.

The Little Flatrock Missionary society held their regular monthly meeting yesterday afternoon in the parlors of the church. The leader for the program was Mrs. Clyde Wilson. The special numbers on the program were a piano solo by Mrs. Paul Morris and a well written paper read by Mrs. Alta Smith and a solo by Mrs. Mamie Stevens. The Bible study was conducted by Mrs. Anna Heaton.

Among the many social events given in honor of Mrs. Ed Chambers' house guest, Mrs. John Chambers of Pearson, Maryland, was the informal party given by Mrs. Ed Chambers yesterday afternoon at her home in East Seventh street. The guests, who included neighbors, were entertained socially.

Last evening Mrs. Fred Lightfoot

Dr. John M. Lee

has located his office at 231 North Mongan St. in rooms formerly occupied by Dr. Tucker

of near Falmouth, gave a dinner party in honor of Mrs. John Chambers, who left for her home in Maryland today. Covers were laid for twelve guests.

The members of the Christian Woman's Missionary society of the Main Street Christian church met yesterday afternoon in the parlors of the church for their regular monthly session. The program carried out was as follows: Bible Study, "The Book of Malachi," Mrs. Roy Waggener; Women Wage Earners of the Orient, Mrs. Albert Allen; Music by Charlotte Norris; Missionary Facts by Mrs. Austen Frazee; music by Miss Helen Matlock. The next meeting will be held on Thursday afternoon, April 3.

John McKee of New Salem was pleasantly surprised Wednesday evening by a number of his friends, the occasion being in honor of his 44th birthday. A pitch-in supper was served, the table being decorated with a large basket of fruit. Music and games were the amusement for the evening. Those who enjoyed the affair were Mr. and Mrs. Lory Murphy, Mr. and Mrs. Mont Sefton and daughter; Mr. and Mrs. Mont Stewart and family, Mr. and Mrs. Lon Ryan, Mr. and Mrs. William Moore and family, Mr. and Mrs. Sid Hunt and family, Mr. and Mrs. Carl Wilson and family, Mr. and Mrs. Charles Wilson and family, Mr. and Mrs. Frank Wilson and family, Mrs. C. H. McKee, Mrs. Leona Dornell, Mr. and Mrs. Earl Matney, Miss Helen Moore, Mr. and Mrs. Hays Bever and family, and Mr. and Mrs. D. D. Barber.

REFUSE USE OF SHIPS FOR U. S. TRANSPORTS

Continued from Page One
stands as it was. Decisions were reserved, however, with regard to the proposal that the Kiel canal be destroyed and the fate of the German fleet is also still undecided.

Final military terms to be imposed upon the Germans will probably be even more drastic than those proposed by the supreme war council.

Andre Tardue, commissioner of France-American relationship, said that while the representatives of the five great powers must have agreed on naval terms, they had not yet agreed on military terms because it seemed the desire that they should be more stringent than the supreme war council proposed.

With regard to the question of whether the league of nation covenant shall be included in the peace treaty with Germany, the commissioner explained the covenant itself would be signed, by the allies and later, when admitted to the league, by Germany.

"What's What" In New Spring Tailor-Mades

Dame Fashion is specializing on the tailor-made—so there's little wonder that suits and coats have appeared with so many new and charming styles.

Snug sleeves, trim shoulders and skirts tapered just right give the favored narrow silhouette.

Little touches—especially braid—make the strictly tailored less severe.

Box suits supplant the Eton with a new little swing all their own.

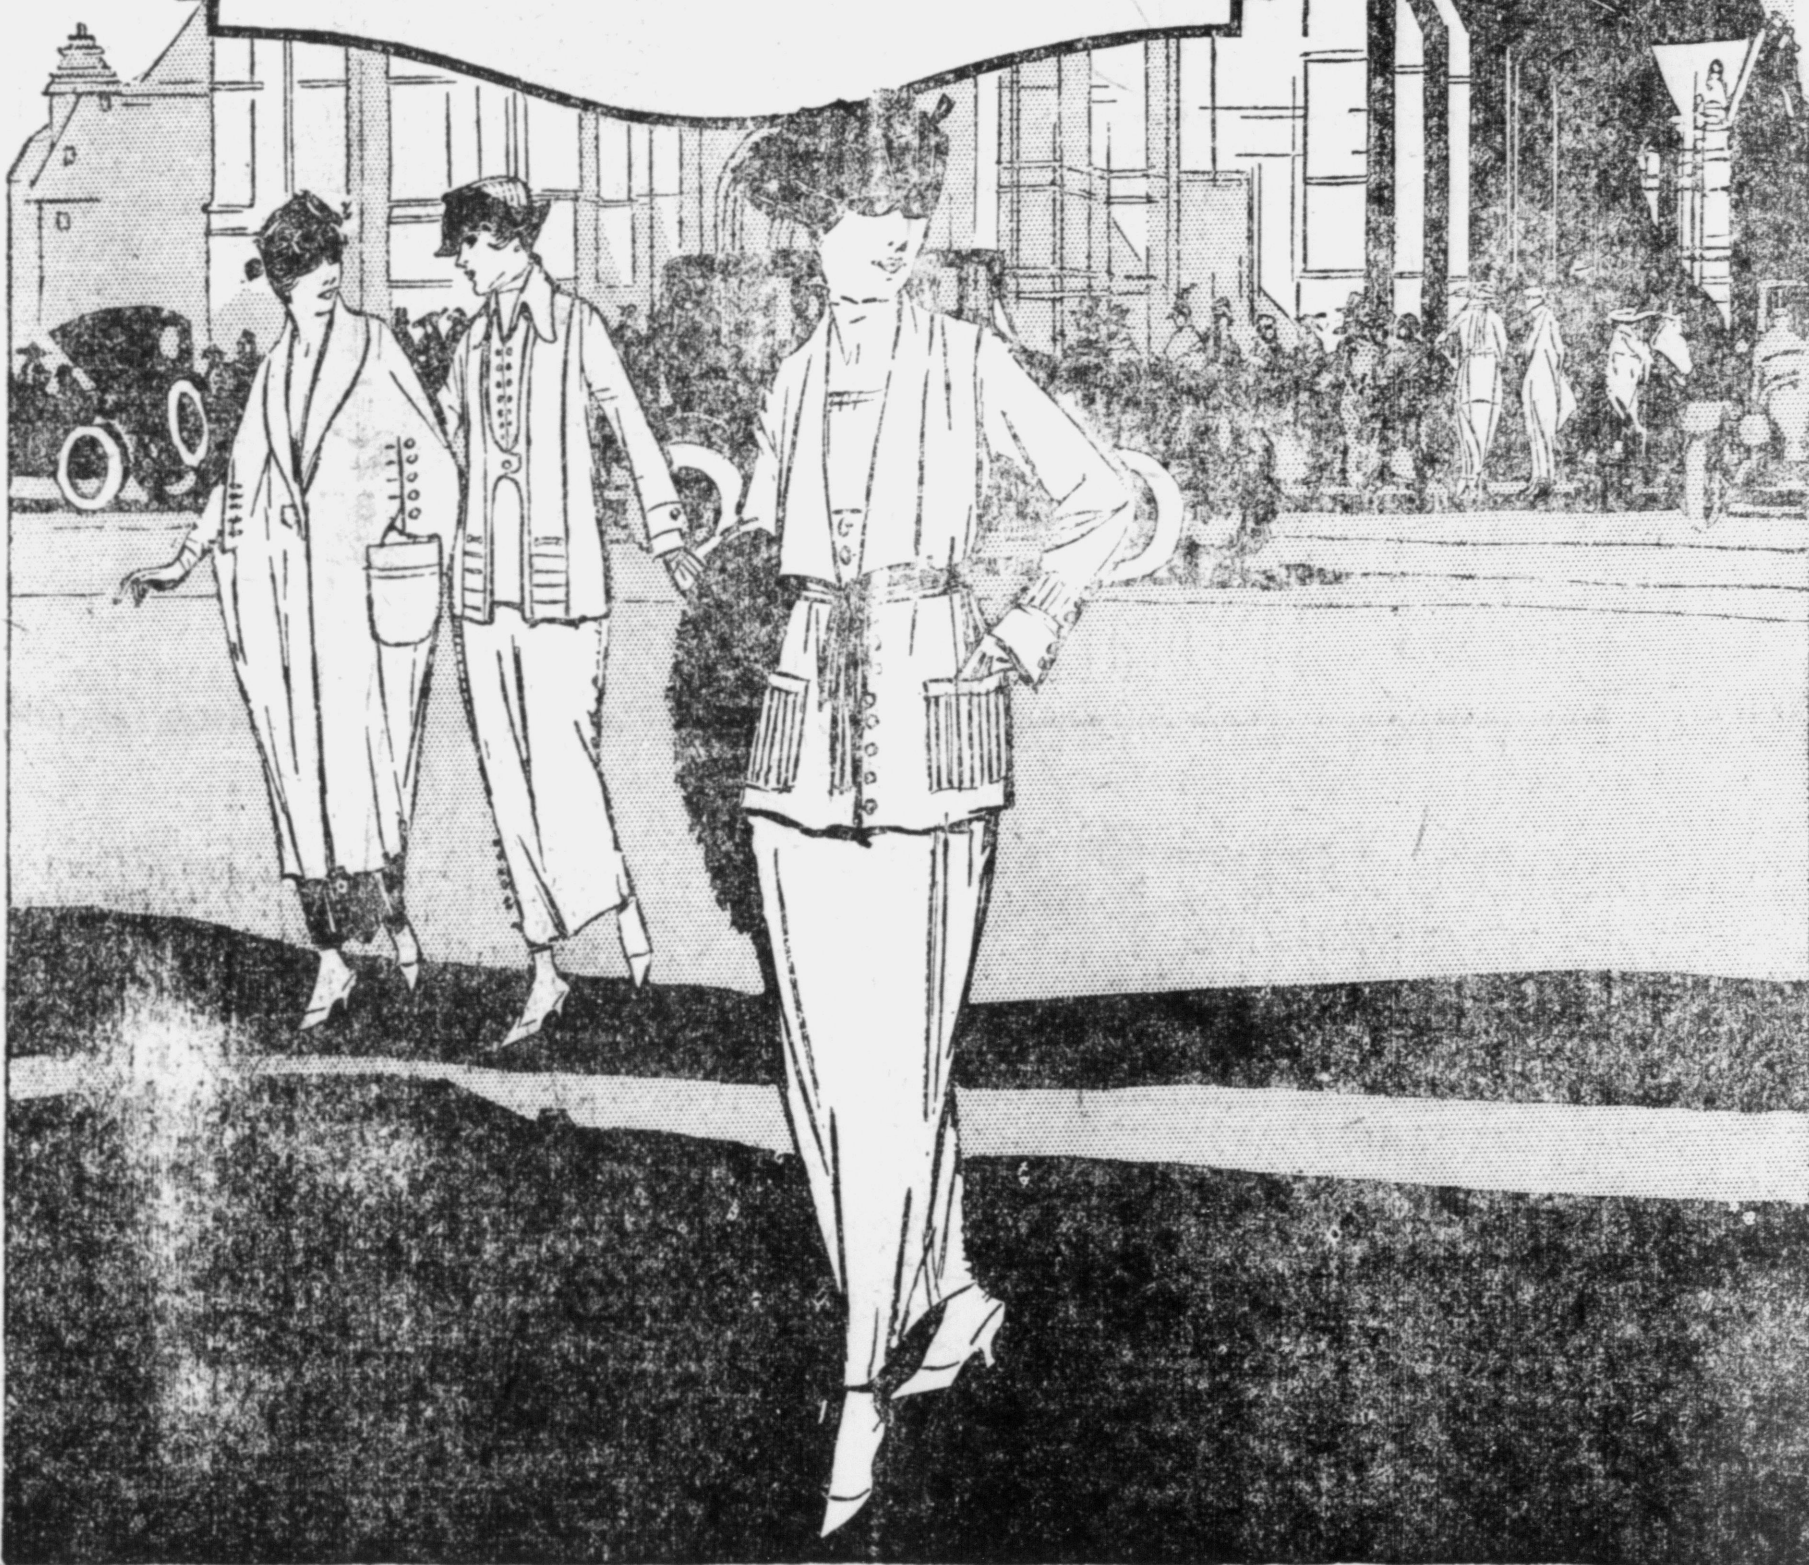

Belted models take on an air with oddly tucked pockets, tuxedo girdles and shawl revers.

Let us show you these Wooltex tailor-mades that are illustrated and many others just as attractive—the last word in Spring styles.

The Mauzy Co.

Illustrated—from left to right:

No. 2690 is a pretty compromise between cape and coat with new opening and odd pocket treatment; silk stitching forms a back yoke. Of fine French serge . . . \$45
No. 5615. A youthful box suit with slenderizing plaits and oddly finished front, disclosing a white detachable waistcoat. Fine French serge . . . \$55
No. 5255. This belted model gets its smartness from the roll tucks on belt and pockets, a wide girdle and many nickel buttons. Of blue serge . . . \$65

SENATE TAKES UP APPROPRIATIONS

Continued from Page One
ing the state tax reform bill designating the amendments that had been adopted was introduced in the regular session of the senate Thursday afternoon.

The amendments were adopted and under suspension of the rules the bill was passed by a vote of 27 to 23.

Students of the tax question who followed the proceedings of the senate as it went through the bill section by section were inclined to pass judgment by saying that "a good piece of work had been done" and that the tax measure as it stood after acted on by the senate should if enacted into law do much toward equalizing taxation in the state and doing away with many of the injustices of the present system.

The debate kept up for nearly an hour before the roll was called on passage of the bill after 6 o'clock p. m. Elsner, democrat, spoke against the measure again, as did Nejdil of the Bush-McCray-Nejdil crowd which got its name from Lieutenant-Governor Bush. Senator McCray and Senator Nejdil. McCray

also spoke against the measure before its passage. It was defended by Senators Beardsley, Munton and Wolfson. Senator Kiper also said he was for some better system of taxation and Senator Van Auker, one of the leading democrats of the senate, defended the bill, saying of taxation: "In God's name can anything be worse than the present system?" Senator Duffey said many of the most progressive farmers were for the measure, and Sen. Bracken said one of his proudest votes would be the one cast for the bill.

DANCE AT SPRING OPENING

Large crowds gathered at the second day of Oneal Brothers annual spring opening, this afternoon. The Greensburg jazz orchestra was engaged for today and tomorrow, and immediately after the music began this afternoon, the floor was cleared and the guests began dancing.

FIVE PERSONS SHOT.

CONCLUDES HIS TESTIMONY

Robins Pleads For Allies to Get Own Facts of Bolshevism.

(By United Press.)

Washington, Mar. 7.—Raymond Robins today concluded two days' testimony before the senate Bolshevik investigating committee, with a plea that American allied governments take nobody's word on conditions in Russia but gather facts themselves for opinions on which to base their future policy. Robins declared that Bolshevism is the world's greatest menace and that America is the only nation that can stem the tide.

That American and allied intervention in Siberia caused the spread to England, France and China, was his declaration.

ATTACK LEAGUE OF NATIONS.

New York, Mar. 7.—Senators Reed of Missouri, Borah of Idaho, and Thomas, of Colorado, attacked the league of nations plan in speeches here before the Society of Arts and Sciences last night.

Indigestion, Gas and Bloat From Acid-Stomach

An acid-stomach cannot digest food properly. Instead, the food sours and ferments and, passing into the intestines, becomes a breeding place for countless millions of deadly germs—toxic poisons they are called. These poisons are absorbed into the system and cause untold misery. So, you see, it is just acid-stomach, nothing else—that makes so many people weak, listless and unfit; saps their strength and energy; robs them of their vigor and vitality. Biliousness, bad liver, nervousness, blinding, splitting headaches, rheumatism, lumbago, sciatica—these and many other still more serious ailments often are traced to the common source—an acid-stomach.

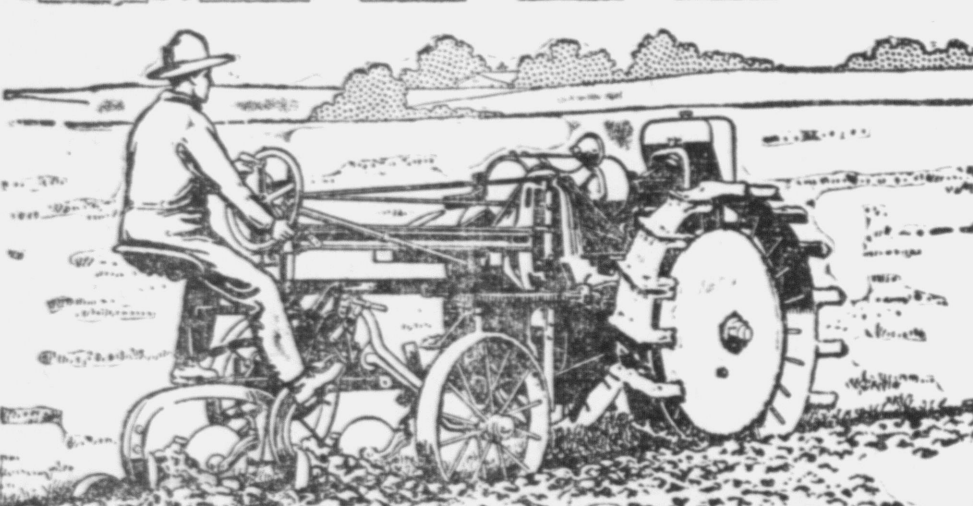

Take EATONIC and get rid quickly of the pains of indigestion, heartburn, that horrible, lumpy, bloated feeling after eating; disgusting, belching, food-repeating; sour, gassy stomach. These stomach miseries are caused by what doctors call "Hyperacidity." It's just ACID-STOMACH. And in addition to the pains and miseries it causes, ACID-STOMACH is the starter of a long train of ailments that most people never dreamed are in any way connected with the stomach.

Pleasant tasting EATONIC TABLETS that you eat like a bit of candy, quickly put an end to your stomach troubles. They act as an absorbent—literally wipe up the excess hurtful acid and make the stomach pure, sweet and strong. Help digestion so that you get all the power and energy from your food. You cannot be well without it!

If you are one of those who have "tried everything" but in spite of it still suffer all kinds of acid-stomach miseries—if you lack physical and mental strength and vigor—begin at once to take EATONIC. Get back your physical and mental punch and enjoy the good things of life. Like thousands of others you will say you never dreamed that such amazingly quick relief and such a remarkable improvement in your general health was possible.

Your druggist has EATONIC. We authorize him to guarantee it to give you instant relief or refund your money. Get a big box of EATONIC today, it costs but little and the results are wonderful!

EATONIC TODAY FOR YOUR ACID-STOMACH

MOLINE UNIVERSAL TRACTOR It Solves The Farm Help Problem

With two 14-inch bottoms, under average plowing conditions, the new Moline Universal Tractor, Model D, plows 9 acres in 10 hours, as much as ordinary 3-plow machine. The superior efficiency of the Moline Universal is due to its higher speed, 3 1/2 miles an hour, two bottoms at 3 1/2 miles giving the same number of plow-miles as three bottoms at 2 1/2 miles.

Plowing at 3 1/2 miles an hour gives ideal results, the ground being pulverized more thoroughly than at slower speeds, with less air space. Tough sod that cannot be turned at all at 2 1/2 miles an hour is plowed with ease.

Perfect work is assured with the Moline Universal through the advantageous position of the operator, who sits in order to do good work. The Moline Universal is easily handled, turns short, and backs as readily as it goes forward.

Waste of time in the field is eliminated and the tractor kept at productive work a maximum number of hours a day through a complete electric starting and lighting system. The Moline Universal is the only tractor thus regularly equipped.

The secret of the speed and power of the Moline Universal lies in its perfected overhead-valve engine and two-wheel construction. The engine develops 18 horsepower at the belt, and 9 at the drawbar, every ounce of which is available for pull. There are no dead wheels to drag along that only carry weight and steer.

For plowing in extremely soft ground, the Moline Universal is equipped with a differential lock that enables the two drive wheels to be locked together, doubling their pulling power.

When plowing the land wheel is raised so that the tractor is level. The wheel is very easily and quickly raised or lowered.

The light weight of the Moline Universal, 3380 pounds, and its high clearance, 29 1/2 inches, make it adapted for all other field work, besides plowing. With it one man can plant 40 acres a day, cultivate 20 acres a day, harvest 25 acres a day, or do any other work with equal speed. It is the ideal tractor for any sized farm, practically eliminating horses and solving the farm help problem.

Call and let us show you this remarkable machine.

DOUGHBOYS DON'T SPEAK TO GERMANS

No Need to Worry About The Reports of the Yanks Fraternizing With The Huns

GERMANS HAVE PLENTY FOOD

If an American Soldier is Seen Speaking to a German He is Arrested at Once

(By United Press.)

Coblenz, Feb. 10.—(By Mail).—Many Frenchmen and Americans are said to be worrying over rumors that the Americans are fraternizing with the Germans; that many of the boys from the states speak German just as some Rhinelanders speak English; that the Germans give the Americans warm rooms, comfortable beds, black their boots and see that they get delicacies.

"Well, there may be rumors of fraternization, but they are rumors only," said General Dickman, commander of the American sector, to a correspondent of the United Press at headquarters here.

"If an American speaks to a German, man or woman, he is arrested. The only exception is in the case of children. There is an inherent love of little folk in the hearts of the American soldiers, and all the regulations in the world will not prevent them from playing with the kids."

The general was asked if the Germans are short of food in the American sector.

"They seem to have plenty of it," he answered. "Vegetables are common and cheap, the only shortage being in fats and milk."

"In one town where there was a complaint from the Germans that

OHIO COLLEGE GIRL TESTED & PROVEN

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation

For months Rushville readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. What other remedy ever produced such convincing proof of merit?

A. M. Younger, retired farmer, 828 W. Tenth St., Rushville says: "I have been using Doan's Kidney Pills off and on for about ten years and they have done me good. When a man gets as old as I, he is apt to have more or less trouble with his kidneys. At times I have had a dull ache across the small of my back and my back has been weak and lame. Then the kidney secretions have been too frequent in passage, causing me to get up at night. Every time I have been that way, I have bought a box of Doan's Kidney Pills at Johnson's Drug Store and they have never failed to relieve me in a short time."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Younger had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—(Adv.)

they had no livestock or fowl some-one asked a German why they did not eat the chickens. He caught one and showed a number on its leg. The systematic German authorities made the owner of the chicken responsible for three eggs a week.

"There is plenty of game in the forests' wild boar being good table diet, also breeding rapidly. The Americans were potting this game when we issued orders prohibiting them from shooting it."

General Dickman has not had the slightest trouble with the Germans since the occupation. Local German functionaries are holding down their jobs as usual, burgomasters being held to a strict accounting for everything that transpires. These officials issue safe conduct passes. In only two cases has an abuse been found. Two well known Berliners came to Coblenz under assumed names. The American intelligence service discovered the deception in 23 hours, the burgomaster was brought up on charges, and fined 1,500 marks.

The closest watch is kept by General Dickman's headquarters upon the telephone telegraph and mail.

Half a dozen trunk lines only are permitted for the telephone. Messages are largely restricted to business calls. If there is an abuse the headquarters knows it immediately. General Dickman has a direct wire to Berlin.

Americans are not overcharged in stores here. General Dickman will not permit it.

In some of the smaller towns where preliminary billeting lists were scrutinized it was seen that nearly all of them were in middle class or poorer homes. In such cases the burgomasters were instructed that if the wealthy tried to escape having American billeted with them 50 American soldiers would be placed in each of their houses. There was no more reluctance to receive American troops.

The Americans are under the strictest discipline. Everywhere fairness is recognized, and they make the occupation as painless an operation as possible.

WISE HUN LACKEYS ARE AGAINST GOVERNMENT

German Government Building Employees Did Not Receive New Officers With Joy

WERE CALLED FOR A CAUCUS

(By United Press.)

Berlin, Feb. 6. (By Mail).—Lackeys in the cabinet building and the foreign office did not view the early revolutionary proceedings with joy. They were against the new government for a while.

The story goes, the head lackey called the other lackeys together in a janitor's room of the cabinet building, where they discussed recognition of the revolutionary officers.

"Who are these new men?" they asked. "We don't know them. Will we recognize them or will we not?"

It was finally decided to recognize them, not because the lackeys were won over to the new government, but in view of the general scarcity of jobs in Berlin and the high cost of food.

YOU CAN'T READ 'EM. BUT WHAT OF THAT!

(By United Press.)

London, Feb. 12. (By Mail).—The visitor's books at the Hotel Majestic and the Hotel Astoria in Paris should be worth their weight in gold to the autograph fiend.

Celebrities from all over the world have signed their names in one or the other and the books stand as lasting proof of the illegibility of the handwriting of great men.

MOTHER GRAY'S POWDERS BENEFIT MANY CHILDREN

Thousands of mothers have found Mother Gray's Sweet Powders an excellent remedy for children complaining of headaches, colds, feverishness, stomach troubles and other irregularities from which children suffer during these days and excellent results are accomplished by its use. Used by mothers for over 30 years. Sold by Druggists Everywhere.—(Adv.)

DRUGGISTS! VICK'S VAPORUB SHORTAGE OVERCOME AT LAST

The Deal Scheduled For Last November, Which Was Postponed on Account of the Influenza Epidemic, Is Now Re-instated—Good During the Month of March.

OVER ONE MILLION JARS OF VAPORUB PRODUCED EACH WEEK.

It is with pride that we announce to the drug trade that the shortage of Vick's Vaporub, which has lasted since last October, is now overcome. Since January 1st, we have been running our laboratory twenty-three and a half hours out of every twenty-four. Last week we shipped the last of our back orders, and retail druggists, therefore, are no longer requested to order in small quantities only.

NOVEMBER DEAL RE-INSTATED

This deal, which we had expected to put on last November and which had to be postponed on account of the shortage of Vaporub, is re-instated for the month of March. This allows a discount of 10% on shipments from jobbers' stock of quantities of from 1 to 4 gross. 5% of this discount is allowed by the jobber and 5% by us.

We advise the retail druggists to place their orders immediately, so that the jobbers will be able to get prompt shipments to them.

THANKS OF THE PUBLIC DUE THE DRUG TRADE DURING INFLUENZA EPIDEMIC.

The thanks of the American public are certainly due the entire drug trade—retail, wholesale and manufacturing—for what they accomplished during the recent influenza epidemic. The war caused a shortage of physicians—nurses were almost impossible to obtain—the demand on the drug trade was unexpected and overwhelming, and to this demand they responded nobly. Retail druggists kept open day and night and slept where they dropped behind the prescription counter. Wholesale druggists called their salesmen off the road to help fill or-

bitain a doctor, relied on Vick's almost exclusively. Literally millions of families all over the country, from California to Maine, and from the Great Lakes to the Gulf, have found Vick's Vaporub the ideal home remedy for croup and cold troubles.

LAXATIVE for Aged People

THE BANE of old age is constipation. The bowels become weak and unable to perform their functions without aid. For this purpose only the mildest and gentlest laxative should be used. The use of harsh cathartics aggravates the trouble and makes the constipation worse. Chamberlain's Tablets are a favorite with people of middle age and older on account of their gentle action.

Chamberlain's Tablets

Amusements

Thriller at the Mystic.

Some poor fish who paid ten cents to see Herbert Rawlinson in "Come Through", at a small house, overlooking the gripping story and the whirlwind fight, complained to the manager that Rawlinson did not look used up and had not a mark on his face in the final close-up. Now that wouldn't faze some people, but the manager wrote to Rawlinson and the star got peeved.

"I want a story", he told Henry McRae, "that shows that I'm being placed in danger of my life. I've taken all kinds of chances in films and been hurt many times. But this guy makes me sore. He wants to see me suffer. All right, it doesn't hurt me any more if he sees it. I have to feel it either way. So give me a story that has all the stunts you ever saw".

The scenario department was then searched and a story which was under consideration for enlarging into a serial was shown to him. It was called "Smashing Through". All the hero had to do by way of exercise was to fight a posse of cowboys who were after another man, escape down a mine shaft with the girl in his arms pursue the girl in an auto, permit it to be wrecked by a collision with another car, steal a motorcycle and ride at breakneck speed, jump from the motorcycle going at full speed to a freight train, and land on the trucks just over the track, while the train is making thirty miles an hour.

It will be shown at the Mystic theatre tonight. Elmer Clifton is responsible for the remarkable speed and dash of "Smashing Through."

Billie Burke at Princess

Beautiful Lake Placid, in the Adirondacks in New York, was the background for most of the charming scenes pictured in "The Make Believe Wife." Billie Burkes new Paramount picture, which is being shown at the Princess theatre tonight. This is a rollicking photocomedy in which Miss Burke displays her talents as a comedienne to the best possible advantage.

In the story Miss Burke portrays the role of a young society woman who is engaged to a lawyer. She is hostess to a house party at her home in the Adirondacks when she and a young athletic society man stray off together and are lost. They are seeking their bearings when a storm comes up and they are obliged to

GET SLOAN'S FOR YOUR PAIN RELIEF

spend the night in a cabin which they providentially discover.

This unusual situation is made the pretext for a demand upon the couple to wed, after they have been found by a searching party. They agree to this, for each secretly loves the other despite the fact that they are promised in other quarters. After their marriage the groom hastens away to China so as to permit his bride to obtain a divorce. But through the substitution of suitcases this plan goes awry and the couple are later reunited under dramatic and highly amusing circumstances, as the sequel proves.

Miss Burke is splendidly supported in this production, her leading man being David Powell, a favorite screen player. The picture was adapted for the screen by Adrian Gil-Spear and directed by John Stuart Robertson.

FRENCH INCLINED TO BE SARCASTIC OVER IT

Admit U. S. Put Over one of the Most Farsighted Diplomatic Victories in The World

NINE VOTES FROM AMERICAS

(By United Press.)

Paris, Feb. 10. (By Mail).—While admitting that the United States put over one of the most farsighted diplomatic victories in the history of the world in showing up at the peace conference with nine votes from North American, Central American and South American states, as against Great Britain's six, and the one vote of each of the other great powers, nevertheless the French press is inclined to be sarcastic about it.

This is the way, "L'Intransigeant" expressed it: "France, which had 1,385,000 killed in the war, has only one vote, the same as Japan" which lost very few men. England, with 658,706 dead, has six votes and America for 36,154 dead has nine votes.

"Does this mean that blood has no price? The blood which was not to be shed for conquering foreign soil has not even conquered for us the right to talk."

The first four-cylinder automobile was brought out in 1900.

Fagged Out Women Vinol is What You Need

If all the tired, overworked, run-down women in this community could realize how our delicious Vinol, which contains Beef and Cod Liver Peptones, Iron and Manganese Peptonates and Glycophosphates supplies the vital elements necessary to enrich the blood and create working strength, we wouldn't be able to supply the demand.

Dukedom, Tenn.
"I live on a farm and keep house for six in my family. I got into a nervous, run-down condition so it seemed as though I would die. A friend advised me to try Vinol. I have been greatly improved by its use and am better and stronger in every way."—Mrs. H. H. Goodwin.

Burdett, N. Y.
"I keep house for my family of three, and raise chickens. I had a nervous breakdown, so I was unable to work. The doctor did not seem to help me, and a cousin asked me to try Vinol. It built me up—I now have a good appetite and am well and strong."—Mrs. Loyal Palmer.

For all run-down, nervous, anaemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

This page is read eagerly by over 5,000 readers daily. It is invaluable for merchants, farmers, professional men and all progressive people.

OUR RATES

All Advertisements, except display, are charged for at the rate of one-half cent per word for each insertion. We earnestly solicit these advertisements by telephone and expect payment when the collector calls. Ads mailed in should be accompanied by the remittance, as the amount is generally too small to justify bookkeeping.

Cards of Thanks and Obituaries are charged for at the same rate, minimum 25 cents. No charge accounts opened.

CLASSIFIED ADVERTISEMENTS ARE NOT TAKEN AFTER 10:00 A. M. FOR PUBLICATION ON THE SAME DAY.

NOTICE TO CONTRACTORS

Notice is hereby given that sealed bids will be received at the county auditor's office in Rushville, Indiana, up until 2 o'clock p. m. on SATURDAY, MARCH 15, 1919, for the construction of the Luther Hungerford et al. Highway on the line between Walker and Rushville townships in Rush County, Indiana, according to plans and specifications now on file in this office.

Said road is about one mile in length and is to be constructed of gravel. All bids must be accompanied by bond as required by law.

The board reserves the right to reject any or all bids. Witness my hand and official seal this 26th day of February, 1919.

WILLIAM H. McMILLIN
Auditor Rush County.
Feb28-Mar7-14

NOTICE TO NON-RESIDENTS.

THE STATE OF INDIANA, RUSH COUNTY, In the Rush Circuit Court February Term, 1919.

William Dagler vs. Stanley J. Sanford et al. Complaint No. 1772

Now comes the plaintiff, by John A. Titworth, his attorney, and files his complaint herein, together with an affidavit that the defendants Stanley J. Sanford, Lottie A. Sanford, wife of Stanley J. Sanford, William Sanford and Arthur P. Forann, are not residents of the State of Indiana; that said action is for Conspiracy and Damages and to Quiet Title, and that said non-resident defendants are necessary parties thereto.

Notice is therefore given said defendants, that unless they be and appear on May 15th, 1919, the first day of the next term of the Rush Circuit Court to be held on the first Monday of May A. D. 1919, at the Court House in Rushville, in said County and State, and answer or demur to said complaint, the

same will be heard and determined in their absence.

Witness my name and the seal of said Court, affixed at Rushville, Indiana, this 5th day of March, A. D. 1919.

Mar7-14-21-28 GEO. B. MOORE JR., Clerk.

NOTICE TO CONTRACTORS

Notice is hereby given that sealed bids will be received at the county auditor's office in Rushville, Indiana, up until 2 o'clock p. m. on SATURDAY, MARCH 29, 1919, for the construction of the Fred McMann et al Highway on the line between Jackson and Center townships, in Rush County, Indiana, according to plans and specifications now on file in the auditor's office.

Said road is 7392 feet in length and is to be constructed of crushed stone. All bids must be accompanied by bond as required by law.

The board reserves the right to reject any or all bids. Witness my hand and seal this 4th day of March, 1919.

WILLIAM H. McMILLIN
Auditor Rush County.
Mar7-14-21

NOTICE OF FINAL SETTLEMENT OF ESTATE

Notice is hereby given to the creditors, heirs and legatees of Charlotte Innis, deceased, to appear in the Rush Circuit Court, held at Rushville, Indiana, on the 29th day of March, 1919, and show cause, if any, why Final Settlement Accounts with the estate of said decedent should not be approved and said heirs are notified to then and there make proof of heirship, and receive their distributive shares.

Witness, the Clerk of said Court, this 5th day of March, 1919.

WILLIAM H. McMILLIN
Auditor Rush County.

FAVORS PAYMENT DAMAGES

Mexico Also Liquidates All of Its Foreign Debts

Mexico City, March 6.—The Mexican government favors payment of all just damages resulting from revolutions; liquidation of all foreign debts and amendments of confiscatory oil laws, it was announced by officials here.

President Carranza declared that all just damages incurred as the result of the revolutions will be paid in full and that the government will not repudiate any foreign debt. "No foreign loan is needed," the president said.

FARMER, 77, HANGS HIMSELF

Goshen, Ind., Mar. 7.—With only 50 cents left John Poynter, 77 years old, once a prosperous farmer near Shipshewana, became despondent and hanged himself yesterday in a barn. His farm was sold several months ago to pay a mortgage. One son, John Poynter and a daughter, Mrs. Samuel Davis, reside at Seattle, Wash.

MERS SUPPLY CO. means. Come in and see me or better still make our place your HOME while in town, nothing would please me better.

Yours,
JAS. H. TAPLEE

WEAKNESS REMAINS LONG AFTER

Influenza

Reports Show That Strength, Energy and Ambition Return Very Slowly to Grippe Patients.

After an attack of influenza, doctors advise that nature be assisted in its building-up process by the use of a good tonic—one that will not only put strength and endurance into the body, but will also help to build up and strengthen the run-down cells of the brain.

One of the most highly recommended remedies to put energy into both body and brain is Bio-feren—your physician knows the formula—it is printed below.

There's iron in Bio-feren—the kind of iron that makes red blood corpuscles and creates vigor. There is lecithin also; probably the best brain invigorator known to science. Then there is good old reliable gentian, that brings back your lagging appetite.

There are other ingredients that help to promote good health, as you can see by reading this formula, not forgetting kolo, that great agent that puts the power of endurance into weak people.

Taken altogether Bio-feren is a splendid active tonic that will greatly help any weak, run-down person to regain normal strength, energy, ambition and endurance.

Bio-feren is sold by all reliable druggists and is inexpensive. For weakness after influenza patients are advised to take two tablets after each meal and one at bed time—seven a day, until health, strength and vigor are fully restored.

It will not fail to help you and if for any reason you are dissatisfied with results your druggist is authorized to return your money upon request—without any red tape of any kind.

Note to physicians: There is no secret about the formula of Bio-feren, it is printed on every package. Here it is: Lecithin; Calcium Glycero-phosphate; Iron Peptonate, Manganese Peptonate; Ext. Nux. Vomica; Powdered Gentian; Phenolphthalein; Olearin Capsicum. Kolo.

A MOTHER'S STRENGTH

Mother, whose hands rock the cradle, often needs more than ordinary food to help maintain the blood-quality and strength and to assure adequate nourishment to the child. It is as unwise for the mother, as it is dangerous to the child, to place dependence upon alcoholic stimulation, for strength is not found in alcohol.

SCOTT'S EMULSION

of purest cod liver oil, absolutely free from alcohol, is mother's true friend, in that it performs a two-fold duty. Scott's is tonic-nourishment, particularly fitted for the trying period of motherhood.

SCOTT'S EMULSION BUILDS UP STRENGTH.

Scott & Bowne, Bloomfield, N. J.

MILLER and CARR, Auctioneers.

High School Notes

Shelbyville was more surprised at winning the cup Saturday than Rushville was at letting them win it. Rushville won 72 points during the tournament while Shelbyville made only 69. From that standpoint we should have won.

Keating established a record Saturday, making 22 out of 29 fouls pitched. If the whole team was composed of Johnnies they would be the state champions.

There is always a contrast between Rushville's dressing room and that assigned to Shelby. Last year theirs was blue with sobs and tears. This year ours was blue with blue streaks.

Because of the large number of teams wishing to participate in the sectional tournament at Richmond and the inability to accommodate all, Rushville will go to Franklin instead. This gives the team a chance to get revenge on Shelbyville. Rushville has drawn Nineveh for their first game and there can be no doubt about the outcome. Shelby has defeated Nineveh 112 to 2 so our substitutes will get a chance to show what they know about basketball in the first game. Rushville will then undoubtedly meet Shelby in the semi-finals Saturday afternoon and this will be a time when history doesn't repeat itself, according to Harold Tittsworth. Yea, Rushville, let's go.

Quite a number of the high school students will go with the team to Franklin Friday. Mr. Taylor has been so kind as to grant that privilege to any who wish to attend if they will make up the work. If the team reaches the finals Saturday night, the whole school may go.

The tournament was a great financial success. Mr. Taylor said we made enough money to buy hundreds of loving cups but of course we wanted that special one. Even if we didn't win it, Rushville still holds her reputation as a royal entertainment.

PRINCE INVENTS LABOR SAVING LETTER SYSTEM

Nicholas of Roumania Had Method to Put One Over on His Parents at Home

LETTERS ARE DUPLICATED

(By United Press.)

London, Feb. 20. (By Mail).—Prince Nicholas of Roumania, now attending Eaton, England's famous preparatory school, has solved the problem presented by the necessity of writing that weekly letter home. American boarding school boys

KEEP IT SWEET

Keep your stomach sweet today and ward off the indigestion of tomorrow—try

KI-MOIDS

the new aid to digestion. As pleasant and as safe to take as candy.

MADE BY SCOTT & BOWNE
MAKERS OF SCOTT'S EMULSION

might take a tip from him. By adopting the prince's system they will find unnecessary long hours of pencil biting and wearisome concentration on the question of what to write to interest dad and mother.

The prince keeps a daily log of his doings. It is written in duplicate with a sheet of carbon paper. At the end of the week the prince need only tear off two sheets, place them in envelopes and mail them to dad and mother. In his case dad is King Ferdinand I and mother is Queen Marie.

Prince Nicholas, however, in addition to sending the diary sheets, mails frequent letters home.

The prince, who is 15, is democratic and wants to be treated at Eaton just like any other student. He is of sturdy build and is anxious to learn English sports. He speaks English without a trace of accent and is of English descent, since his mother is the granddaughter of the late Queen Victoria and the daughter of the English duke of Saxe-Coburg and Gotha.

TO LOWER COST OF LIVING

French Government Starts Offensive Against Profiteering.

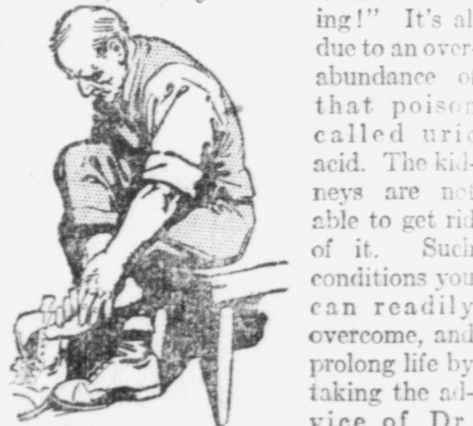

Paris, Mar. 6.—The French government started an offensive against profiteering today with the expectation of lowering the cost of living in Paris 40 per cent within a fortnight. Fifteen large sheds located in various public squares were opened for sales of governmental controlled provisions. More will be opened as soon as possible. The supplies consist principally of food brought from the interallied commission.

\$75,000 HALL FOR DANVILLE

Danville, Ind., March 6.—The K. of P. Lodge of Danville this year will erect a three-story Castle Hall to cost approximately \$75,000. The site is on the east side of the public square. The building is to be of stone.

"Gee-Whiz! How it Hurts" —The Pain in My Foot!

"Sometimes it is in my arm. Merciful Heaven, how my back hurts in the morning!" It's all due to an overabundance of that poison called uric acid. The kidneys are not able to get rid of it. Such conditions you can readily overcome, and prolong life by taking the advice of Dr. Pierce, which is "keep the kidneys in good order."

"Avoid too much meat, alcohol or tea. Drink plenty of pure water, preferably hot water, before meals, and drive the uric acid out of the system by taking Anuric." This can be obtained at almost any drug store.

Send a bottle of water to the chemist at Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., and you will receive free medical advice as to whether the kidneys are affected. When your kidneys get sluggish and clog, you suffer from backache, sick-headache, dizzy spells, or twinges and pains of lumbago, rheumatism or gout; or sleep is disturbed two or three times a night, take heed, before too late. Get Anuric (anti-uric-acid), for it will put new life into your kidneys and your entire system. Ask your nearest druggist for it or send Dr. Pierce ten cents for trial package.

SENATE TAKES UP APPROPRIATIONS

Lieut.-Gov. Bush Continues Tactics
to Delay Action, With 2 Days
of Session Left.

TAX BILL GOES TO THE HOUSE

Amendments of Senate, Which Passed
Measure, 27 to 23, Must
be Acted Upon.

(By United Press.)

Indianapolis Ind., Mar. 7.—With only two more working days before adjournment, the legislature today again speeded up action on important matters.

The senate as a committee as a whole took up the general appropriation bill. The first action taken was on motion of Senator Van Auker to cut out the appropriation of \$15,000 for conducting a state normal at Winona.

Lieut. Gov. Bush asked why the appropriation was carried in the bill when the increases were not greater over two years ago. Senator Munton, member of the legislative visiting committee, explained that the high cost of materials, labor and supplies warranted greater appropriations for all institutions. Efforts by Bush to have the appropriation for erection of a hospital for insane cut \$20,000 failed. He stated, however, that he was not trying to delay action by the senate.

There will be no need of a special session of legislature because of failure to act on appropriation bills, he said.

The tax bill as passed by the senate was sent to the house for acceptance of the amendments.

The new highway commission bill was sent to the governor for his signature following concurrence in the senate amendments in the house.

The Deem anti-red flag and Bolshevik bill and other measures also went to the governor for his signature.

The Duncan bill changing the primary election date to March was killed by the house.

After the Indiana senate sitting as a committee of the whole had spent practically two days reshaping.

ARE ARRESTED SOON AFTER THE CEREMONY

Miss Lois Kennedy, Formerly of Arlington, and Vernie Pitcher,
Taken to Connersville

MARRIED HERE YESTERDAY

Vernie J. Pitcher and Miss Lois Kennedy of Connersville were arrested here late yesterday afternoon by the Connersville police. The couple was married yesterday morning by the Rev. L. E. Brown. Miss Kennedy gave her age as 18 when as a matter of fact she was only 15. She was also under the care of the Fayette circuit court as she was under a suspended sentence from the girls reformatory. Her parents, Mr. and Mrs. Bert Kennedy, were formerly residents of Arlington but had recently moved to Connersville.

Mr. Pitcher is a returned soldier and the charge he will face is the next thing to and almost as serious as "white slavery" it is said. Had Miss Kennedy not been under a suspended sentence, the charge would not have been so serious, but in taking the girl from under the jurisdiction of the Fayette county court and coming to this county for a marriage license, makes the offense a federal one, officials say. They are both held in the Fayette county jail and will be tried as soon as possible. Authorities here think that the girl will be returned to the girls reformatory immediately and that Pitcher will be tried in court.

BOY IS SENT TO PLAINFIELD

16-Year-old Youth Implicated in
Thefts at Jesse Drake Store

A sixteen-year-old boy who was implicated in the thefts of merchandise from the Jesse Drake store in West Second street, was sent to the state boys school at Plainfield by Judge Will M. Sparks in juvenile court this morning. The boy was one of a dozen who broke into the store, which has been closed since the owner made an assignment, last Saturday night. The names of the boys who were guilty of the robbery were given by the police to Gates Ketchum, who is trustee in charge of the stock of merchandise, and their cases were referred to juvenile court.

TAXPAYERS NOT ENTIRELY RELIEVED

Taxpayers Must Take Initiative And
Not Depend all Together Upon
The Revenue Men

COLLECTORS TO GO SATURDAY

Must Fill in Forms to Best of Ability
Asking Experts Questions Only
When in Doubt

While the bureau of internal revenue is sending every county in the United States experts to aid in the making out of income tax returns, it is not to be supposed that these officers are to relieve taxpayers all together of their duty in this respect. Many persons, according to J. J. Keene, one of the deputy collectors now at the sheriff's office, without even taking the trouble to glance over the forms, hand them to the revenue officers expecting them to make out the complete return. This necessitates a number of questions which only the taxpayer himself can answer, such as, "Were you in 1918 married and living with wife or husband?"

Taxpayers are urged to read carefully the instructions and fill in the forms to the best of their ability leaving to the experts only such questions as to which they may be in doubt. On each form is printed the following:

"If you need assistance go to a deputy collector or to the collector's office, but first read instructions and fill out this sheet in pencil as well as you can."

Mr. Keene and C. M. Barnes, also a deputy collector will be here until tomorrow night, their time having been extended two days.

A person who waits for an income tax man to pull his door bell or his coat-tails may find himself a delinquent subject to severe penalties, is the warning sounded today by the internal revenue officials. The duty of getting the payments and the returns in by March 15 lies solely with each individual and corporation liable under the law.

"The bureau has sent every man it can spare directly to the people to aid in an advisory capacity," says a statement from the bureau. "But our men have no time to canvass people at work or in their homes. Every person liable to a tax or a return must take the initiative in performing the duties required by the revenue law. If he needs information, blank forms, or advice, he should seek an income tax officer."

"The big thing now in income tax is to get the first payments in between now and March 15. That is the due date, under the new law. Frankly speaking, the Government needs the money to meet its obligations falling due on that date."

"The returns of 1918 income are due at the same time. Either a complete return showing the true tax, or a tentative return of the estimated

Continued on Page Three

MANILLA LOOMS UP AS A "DARK HORSE"

Defeats Fairland Touted as District
Tourney Factor, at Franklin This Morning, 35 to 19

RUSHVILLE MAY REACH FINAL

Plays First Game This Afternoon at 4
and is Doped to Meet Shelbyville Tomorrow Afternoon

(Special to the Daily Republican.)

Franklin, Ind., Mar. 7.—Manilla loomed up as the "dark horse" of the high school basketball district tournament here today when the Rush county lads with ease defeated Fairland, Shelby county, which was according to dope, one of the strongest teams in the tournament. Manilla turned the trick with ease and fans were keyed up higher when they realized the possibilities of upsetting the dope bucket with an unknown quantity in the tournament. Manilla trimmed Fairland by the score of 35 to 1. Fairland was touted as a possible contestant for district honors.

Franklin, which is expected to work her way to the final game, won the first contest of the tournament this morning by the score of 34 to 3, defeating Southport. Franklin will play Manilla in the first of the semi-finals at 8:30 tonight, and is expected to put Manilla out of the running. According to all the dope, Franklin should dispose of Manilla without any trouble. Franklin has defeated the Shelbyville quintet twice this season and Shelbyville put Manilla out of the invitational tournament at Rushville last Saturday, 23 to 13, after Manilla had defeated Arlington in the preliminaries.

Hopewell and Whiteland are two strong teams which will have to be reckoned with in the final. Whiteland won from Mt. Auburn in the 11 o'clock game and Hopewell was doped to take the one o'clock game from Edinburg, which would result in the elimination of one of these contenders, because they will meet at eight o'clock in the morning. This means that one of these teams will likely be bumped off at two tomorrow afternoon when they will meet the winner of tomorrow morning's ten o'clock game, which in all probability will be Franklin.

The Rushville high school basketball team went to Franklin this morning confident of breaking into the final with the Franklin high school in the district tournament tomorrow night. Barring any unexpected mishaps, Rushville should defeat Nineveh at four o'clock this afternoon which is the last of the preliminary elimination games. Likewise, Rushville will have no difficulty in the semi-finals when she will stack up against either Arlington or Boggs town tomorrow morning at ten o'clock. The real test will come Saturday afternoon at three o'clock when Rushville will be one of the teams in the semi-finals. It is equally as certain that Shelbyville will be the other team because she will meet no opposition of any consequence until this game. The winner of this contest will have to beat Franklin in the final Saturday night at eight o'clock. It is regarded as certain that Franklin will get to the final because she will not have any stiff games because Rushville, Franklin and Shelbyville are doped as by far the strongest quintets in the tournament.

Milroy and Moscow at Richmond
The Milroy basketball team went to Richmond this morning with the intentions of winning the district honors, according to word received through the Milroy Press. Sixteen teams will take part in the tourney at Richmond. Connersville, Milroy and Moscow will be the teams representing

SKINS AND HANGS THEM UP TO DRY

Evangelist Says Majority of Hypocrites
are Associated With
Things Opposed to Church

THEY ARE ALL COUNTERFEITS

"The Dude Preacher and Some Sensationalism" is Subject for M. E.
Revival Sermon Tonight.

Last night's revival service at the St. Paul's M. E. church was the "dried letter" one up to this time when the main auditorium was packed to hear Evangelist Miller's sermon on "Hypocrites Properly Skinned". From the beginning of the song service to the last word of the sermon, interest and enthusiasm were manifested by the entire congregation.

The first half hour of the meeting was given over to the song service led by the chorus choir, which grows with each meeting, and under the leadership of the Rev. C. S. Black sings very beautiful numbers. From the new song book at each service. This evening promises to be another interesting service when the evangelist will preach on "The Dude Preacher and Some Sensationalism". It will begin promptly at 7:30 o'clock.

Last evening's sermon by Evangelist Miller was said by many there to have excelled all his previous talks, and his frank personality was at its best in scathing hypercriticism. Mr. Miller's ability in driving home with such success the telling truths of his sermons lies in the fact that his sermons are sparkling with wit, and his talks hold attention and interspersed with pathetic touches throughout.

Last evening Mr. Miller defined the word "hypocrite" according to the dictionaries, and said it was a matter of common impression that the word applied entirely to people who are making false religious pretensions, when as a matter of fact, the word is properly applied to people in any walk of life who are pretending to be what they are not. By further explaining and using striking illustrations he made it very plain that there are hypocrites in business, in politics, social circles, and even in the home, and that although the charges often heard against the

BOY'S DOG "TREES" THE WOLF IN A LOG

Circleville Youth Stays With it When
Others Abandon Chase and Realizes a "Profit."

FOUREEN DOGS IN THE HUNT.

The Wolf hunt staged by Oneal Brothers yesterday afternoon in connection with their spring opening was well atted, although it was not as exciting as some expected. Owners of dogs from all over the county were on the scene at two o'clock and fourteen dogs were anxious to get up and at him. The wolf was given a fifteen minute start and although it was not in such a hurry as wolves usually are it got a fair start on the dogs.

The wolf took a course down Flatrock and at five o'clock yesterday evening was captured near Webb's Ford by a Circleville boy, whose dog "treed" it in a log. The animal was brought back to Rushville by the boy and sold to a stranger, whose name Oneal Brothers did not learn. Perhaps the new owner will have a private hunt some time when there is no one around to witness it. Denny Ryan's Airdale was the champion dog of the chase, according to the best reports available today.

FUNERAL IS HELD TODAY

Services at Milroy For Martha Rariden,
Who Died at Madison

The funeral services for Miss Martha Rariden, age 49, who died at the Craigmont hospital in Madison yesterday morning, were held at the Christian church in Milroy at two o'clock this afternoon and burial was made at the Milroy cemetery. The Rev. Mr. Cady had charge of the services. The body was brought to the home of Mrs. Pete Pool, Miss Rariden's niece, last night. She had been at the Craigmont hospital only two weeks. She is survived by two brothers, Charles of Williamstown and Church who is an inmate of the county infirmary.

REFUSE USE SHIPS FOR U. S. TROOPS

German Delegates at Economic Conference
Willing is Allies Guarantee Food Supply

NEW PROBLEM FOR DELEGATES

Peace Conference Believes People of
Bohemia and German-Austria
Should be Fed.

(By United Press.)

Paris, Mar. 7.—A distinct impression prevailed here today that the American opposition toward the league of nations covenant will show considerable relaxation after President Wilson resumes work in Paris.

His speech in New York just before sailing was the subject of favorable comment among the French. Some officials appeared more hopeful that the desired French amendments to the covenant would be more acceptable to Wilson.

Aboard the Steamship, George Washington, Mar. 7.—President Wilson was overjoyed at the message from Secretary Daniels and Secretary Tamm reporting the facts of the election of a democrat running on a league of nations platform in a Pennsylvania special congressional election.

The George Washington was about 800 miles out this morning.

Paris, Mar. 7.—Flat refusal of Germany to permit its ships to be used for homeward transportation of American troops unless a food supply to last until next August, was first guaranteed by the allies, confronted the peace delegates of the five great powers, when they met this afternoon.

German representatives at the economic conference from Spain, Belgium, informed allied representatives that German merchantmen would not be turned over unless the food supply is guaranteed. Allied missions have returned here for further instructions. American members of the mission conferred this morning with United States peace delegates.

It was estimated that \$400,000,000 worth of food would be required to feed the Germans until next harvest. This sum is double the available gold and securities in Germany. Even if the amount available were to be taken, it would cause financial collapse. This brings before the peace conference the question of whether Germany shall be permitted to enter the world trade unless restricted.

The conference took up the proposition of sending food into Bohemia and German-Austria. Means of getting supplies into the district which need them were to be discussed. The population of these territories, it is stated, must be kept.

It was learned that the decision to destroy the German submarines

CONTRACT TO BE LET TOMORROW

Commissioners to Receive Bids on
Interior Decoration and Outside
Repair of Court House

APPROPRIATION OF \$8,000

Proposed Plan to Install New Light
Fixtures Abandoned Because
Sum Was Cut \$2,000

The contract for redecorating the interior of the court house and making some repairs on the outside of the building will be let by the county commissioners tomorrow, providing any of the estimates are inside the appropriation of \$8,000 made in January by the county council. Bids will be received up until ten o'clock in the morning.

The plans and specifications on file in the county auditor's office do not provide for the installation of new lighting fixtures, but the commissioners had planned to make this improvement if the county council had not cut the appropriation. They asked for \$10,000 which they estimated would make the needed repairs, but when the council appropriated only \$8,000, the original plans had to be changed, with the result that the old light fixtures will have to serve the purpose for the present.

There seems to be little question about the need of new lighting fixtures, because they were installed twenty-one years ago and are very much out of date. Many improvements have been made in interior lighting since that time. Some of the offices in the court house are very poorly lighted and officials have to make the best out of improvised arrangements, such as running individual lights to desks with strings.

The plans and specifications for the decorating provide that the window frames, door sash, storm fronts and doors shall have two coats of paint. All woodwork is to be scraped, sandpapered and dusted and window sash are to be repainted after the first coat. The shade of the paint on the exterior will be a light stone color to match the exterior stone. The oak doors

GRAND JURY IS CALLED TO MEET WEDNESDAY

Two Names Are Drawn to Take
Places of Those Excused—Big
Damage Suit Dismissed.

CASE HEARD BY COURT TODAY

Judge Sparks has ordered the grand jury to report next Wednesday. This is the first time the grand jury has been called this term of court. The jury commissioners drew the names of William O. Frazee and Guy Gordon of this city to take the places of Boone Power and Thomas J. Addison, who were excused from service on the grand jury.

The case of Delta W. Hinchman against Hugh Jones for \$5,150 damages was dismissed yesterday and the costs paid. The suit was the result of an accident last fall when Jones' machine hit Hinchman's motorcycle at the entrance to the bridge over Flatrock, south of Rushville, knocking Hinchman off and breaking his leg.

The case of Ora E. Maple against Frank M. Edwards as administrator of the estate of George C. Hulse, T. E. Hulse, Theresa Hulse and Fannie Nevin to set aside a deed, was heard by Judge Sparks today. Mr. Maple won a judgment for \$2,000 against the Hulse estate and it is alleged by him that the late Mr. Hulse deeded his property to his daughter, Mrs. Nevin, to escape paying his debts.

WIFE DEAD; HE HAS "FLU"

Charles W. Robinson, formerly of This City, Meets Misfortune

Word has been received here by friends of Charles W. Robinson of Lorain, Ohio, stating that he was seriously ill with the influenza pneumonia, his wife having died the first of the week with the same disease. Mr. Robinson is well known in this city, having lived here for some time, and was a member of the Odd Fellows lodge. He worked in the ice plant here before going to Ohio. Mr. Robinson is now superintendent of the ice plant in Lorain.

Dormant Spray Must be Used Before Buds Start on Trees

The time is here for the application of the dormant spray. This is one of the most important sprays for fruit trees. The health and vigor, and even the life of the trees, may depend upon this application. "Scale insects and the scores of certain diseases which are a serious menace to the trees may be controlled by the application of sprays of a strength you would not dare use after the foliage starts," says county agent Detrick.

"Lime sulphur solution is the most commonly used for this spray and should be diluted, one gallon to six or seven gallons of water or until it will test 5 degrees Baume. Miscible oils are also successfully used by some for this spray, but care must be used in their preparations as free oil in the mixture may be harmful to the trees. The oil sprays should be diluted according to manufacturers' instructions. It is very important that this work be done thoroughly. Do not expect to do a good job of spraying from one side only. Neither can satisfactory work be done by driving down the row, without stopping the team. See that every part of the tree is completely covered.

"Prepare to do this now for it will be too late when the buds start. Do not be deceived by patent nostrums to be sprinkled upon the ground or inserted in a hole in the body of the tree and guaranteed to kill insects and diseases incident to tree life."

FORMER LOCAL BOY RETURNS

Son of T. R. Powell, Who is Visiting Here is Back From France

T. R. Powell of Kokomo, who is visiting his mother, Mrs. James A. Powell of West Second street, has received word from his son, Bernard, who was reared in this county, and who returned from France last week. Bernard served several months with the A. E. F. and is stationed at Camp Sherman, Ohio, expecting a discharge at most any time. His letter states that he came home on the transport Manchuria, and that the vessel had an extremely rough passage, having to drive through an ocean storm for three days and nights. Private Powell states that he is proud that he was privileged to serve with the A. E. F. but is anxious to get home and don citizens clothes again.

TO RELIEVE ADMIRAL SIMS

Admiral Knapp Will be Sent to London May 1, Daniels Announces

Washington, Mar. 7.—Admiral Knapp will relieve Admiral Sims at London May 1, Secretary of Navy Daniels announced today. Admiral Strauss will return to Europe shortly to direct the sweeping of mines in the North Sea. Admiral Niblack, who is being returned from the Mediterranean, will be chief of navy intelligence. Naval officials expected that three of the German merchant ships, which will be converted into transports, will be available this week.

ONLY FOUR HOOSIERS LISTED

Washington, Mar. 7.—The following casualties for today are reported by the commanding general of the American Expeditionary Forces: Killed in action, 4; died of accident and other causes, 20; died of disease, 95; died from wounds, 9; died in airplane accident, 1; wounded severely, 34; missing in action, 5; wounded slightly, 40; wounded degree undetermined, 38; total, 246.

Four Indiana men were listed as casuals as follows:

Wounded severely—Private John B. Mitchell, Wheatfield.
Died of disease—Private Will Chatman, Gary; Private Raymond D. Hermer, Madison.
Wounded, degree undetermined—Private Floyd White, Guelford.

BATTLE RAGES IN STREETS OF BERLIN

Government Troops Fight Spartans, Both Sides Using Various Implements of Warfare.

ARE SCORES OF CASUALTIES

(By United Press.)
Berlin, Mar. 7.—A battle raged Thursday afternoon in the streets around police headquarters, which was besieged by the rebels.

Government troops fought with the Spartans. Both sides used machine guns, armed motor trucks, tanks, airplanes and poison gas. Scores of casualties were reported, including many civilians.

Street fighting attempts were renewed with violence Thursday afternoon. After the rebels appeared to have been crushed and radical leaders admitted defeat, the Spartans rallied. The general strike seems to be gaining strength.

Many republican guards were wounded in the street fighting in various parts of the city. The scenes of disorder, however, were still widely scattered.

Government mastery of the situation, evident a few hours ago, seemed precarious. The fighting continued.

Willard STORAGE BATTERY SERVICE STATION

Of Course You're Not a Chemist

Fortunately you don't need to be a walking encyclopedia in order to get the best out of your battery.

The battery is really the easiest thing on your car to take care of.

You don't even have to know what is inside of it—or what kind of chemical changes go on.

All you have to do is to add pure distilled water once a week or so, keep the battery charged, and don't overheat it.

You can take your own hydrometer reading if you like. When readings seem too low, or your start lacks snap, drive your car around and let us locate the trouble.

WILLARD SERVICE STATION
Mauzy Building—Second & Perkins St. Phone 1557
Authorized Willard Service Station

We test, repair and re-charge storage batteries, and always carry a full supply of battery parts, new batteries and rental batteries.

Don't Let Worms Kill Your Hogs

Free intestinal and stomach worms are those that do not attach themselves to the intestines or stomach. Worms which attach themselves to the stomach or intestines are properly called "Blood Suckers" and nothing will expel the "blood sucking worms" after they are formed.

The Thorn Headed Worm is a "blood sucker" and nothing will expel them after they are formed. They have a mass of thorns or hooks about the head and not only attach themselves to the intestines, but bury the head into and clear through the intestines. THE THORN HEADED WORM can be positively prevented by feeding ACME WORM BOUNCER from birth to maturity.

QUEEN MARIE IN PARIS

Paris, Mar. 6.—(Havas).—Queen Marie of Roumania, accompanied by her daughters, the Princess Elizabeth, Marie and Elena, arrived in Paris yesterday. They received a warm welcome.

Time Brings Joy And Happiness

As the Hours Pass the Coming of Baby Draws Nearer—Are You Prepared?

No woman awaiting the joy of coming motherhood should allow the days to pass without using the wonderful penetrating application, Mothers' Friend. By its regular use throughout the period the system is prepared for the coming event and strain and tension is relieved. It renders the broad, flat abdominal muscles pliant and they readily yield to nature's demand for expansion. As a result the nerves are not drawn upon with that peculiar wrenching strain, and nausea, nervousness, bearing-down and stretching pains are counteracted. The abdomen expands easily when baby arrives and the hours of the crisis are naturally less. Pain and danger as a consequence are avoided. Mothers' Friend not only allays distress in advance, but assures a speedy recovery for the mother. The skin is kept soft and smooth and natural and free from disfigurement. Write to the Bradford Regulator Company, Dept. J, Lamar Building, Atlanta, Georgia, for their Motherhood Book, and procure a bottle of Mothers' Friend from the druggist. It is just as standard as anything you can think of.

CONTRACT WILL BE LET TOMORROW

Continued from Page One

at the entrances are to be cleaned, scraped, refilled and then be given two coats of varnish.

The plans for the interior provide that the woodwork shall first be cleaned, the window sills, sash, frames and baseboards scraped and refilled to match the present oak finish. After being scraped, sand-papered and dusted, the woodwork will receive a good coat of rubbing varnish, the sills and other parts to be given two coats where needed. It will then be rubbed to a dull finish after it is dry.

The contractor must agree to

protect all floors, wainscoting, casing, walls and ceiling from damages, he being held responsible for any damage that is done.

The plans say that the contractor shall bring all goods on the premises in sealed packages and that they shall be open to inspection at all times. The interior decorations cover all the lobbies, corridors and rooms with the exception of the public library on the first floor, which was redecorated a few years ago. It was also equipped with an indirect lighting system at that time.

The contractor is to bid a lump sum for the interior work and a lump sum for the exterior work. All necessary exterior joints in the stone work in the base of the court house, including the ornamental pedestals, are to be pointed up with cement grout. The joints from the ground line to ten feet above the ground, where the mortar has fallen out or is otherwise in bad condition, will be repaired. All outside steps, landings and stone curbs at the side of the same, are to be placed in their original positions by removing them where necessary and building concrete wall supports beneath them. The manhole at the southwest corner of the court house is also to be repaired.

tax, must accompany each and every payment made between now and March 15.

The tentative return of estimated tax is a relief measure adopted by the Bureau for taxpayers who cannot complete their full returns on time. A taxpayer who needs additional time for making a return cannot be relieved of the payment of the tax due, or the estimated tax due. But, on making the required payment between now and March 15, the taxpayer can secure further time up to 45 days in which to file the complete return.

The Bureau in this way meets the convenience of taxpayers who are pressed for time but it cannot relieve them of the requirement that their taxes due on March 15 must be paid between now and the due date.

It is urged that every taxpayer who can do so make payment in full when filing his return. This method will greatly aid the Revenue offices, and relieve the taxpayer of the necessity of guarding against oversight on future installment dates.

In each case where payment in full is not made, the first payment must be at least one-fourth of the total tax due, or at least one-fourth of the estimated tax due. No matter which of these methods is used in paying taxes due March 15, the payment must actually be in the Collector's office by the due date, accompanied by a return.

You Can Save Eggs in baking by using Royal Baking Powder

In many recipes only half as many eggs are required, in some none at all, if an additional quantity of Royal Baking Powder is used, about a teaspoon, in place of each egg omitted.

Try this method with all your baking recipes. Thousands of women are using it with great success.

Royal Contains No Alum— Leaves No Bitter Taste

DRY FORCES WANT FLOOR LEADERSHIP

Unable to Win Speakership, They Advance Rep. Mondell For a More Important Position

JOIN WITH SUFFRAGE FORCES

(By United Press.)

Washington, Mar. 7.—Prohibition and suffrage forces in the house, defeated in their attempts to put one of their number in the speakers chair today were demanding the floor leadership.

Representative Mondell, Wyoming, is the candidate they are putting forward for the position, which in many ways carries a heavier burden than the speakership itself.

Mondell will begin his twelfth term as congressman in the next congress.

Leaders differ on whether the committee on committees which will continue in session for the next few days to draw up a house organization, will choose a floor leader or wait until just before the new congress meets. Mondell believes the selection should be made now while Representative Longworth, of Ohio, wants it put off.

SKINS AND HANGS THEM UP TO DRY

sented from this section.

Moscow was scheduled to play Whitewater this afternoon at four o'clock. Milroy considers Connersville its strongest opponent and have strong hopes of going into the final. Moscow and Milroy both played in the invitational tourney here last Saturday, Milroy being put out of the running by Rushville in the first game of the morning and Moscow was defeated by the Morris-town quintet.

The teams that will take part in the tourney at Richmond are: Hagerstown, Greentown, Richmond, Fairland, Cambridge City, Modor, Economy, Fountain City, Stoney Creek, Brookville, Moscow, Whitewater, Ridgeville and Liberty.

Recently 700 graves of American boys at Toul were decorated with sheaves of flowers made by American Red Cross workers. Near the Lorraine front 1000 more graves were similarly decorated.

French Sacrifice For Liberty Heroic

Six millions of French sons have offered their lives that democracy might live. 30 million other French men and women sacrificed their all for the same purpose. America's debt of gratitude to France for this is very great. We also are indebted to her for an invaluable remedy for stomach, liver and intestinal ailments discovered by her peasants, which it is reported has saved many American lives and prevented thousands of surgical operations. Geo. H. Mayr, for many years a prominent Chicago chemist, imports the ingredients and sells this remedy under the name of Mayr's Wonderful Remedy. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal ailments including appendicitis. One dose will convince or money refunded. For Sale by Druggists Everywhere.—(Adv.)

Wheat and Foodstuffs.

Well, Mr. High-Cost-of-Living is getting some serious blows nowadays. He is beginning to feel the effect, but the process will be a slow one, and it will be some time before he is ready to throw up the sponge.

The high prices of the last two years have encouraged production in this country tremendously. We have had great crops of wheat and corn and heavy production of beef and pork.

The calls of the allies have lessened and the United States government will require less and less as the army demobilizes. The result will be a gradual further lowering of prices.

Just now the factor in keeping them up seems to be the government's guarantee of the price of \$2.26 for the 1919 wheat crop. Wheat is a standardizer. It keeps up the

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but more laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They do not injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 60c and 25c a box. All druggists.

parts of other grains and of feed and consequently of beef and pork.

But the same cause does not operate in other countries. We may be put in the anomalous position of paying \$2.26 for wheat when it sells in the Argentina for not much more than half that price.

The government must keep faith with the farmer. He has been loyal and willing and has planted wheat at the government's request.

Two courses are suggested,—one that the government should buy the wheat at \$2.26 and sell it at the market price. The other suggestion is that the government should pay the farmer the difference between \$2.26 and the price at which he sells his crop. Either way would give us wheat, and consequently flour and bread, at lower prices, and also safeguard the farmer. The loss would ultimately come out of the pockets of the taxpayer.

We More German Dyes.

What cannot the United States do when she tries? Before the war Germany practically controlled the textile industry of the world, supplying four-fifths of the dyes used. The United States paid Germany every year \$25,000,000 for the dyes she imported. When this trade was cut off the American textile manufacturers were in great perplexity. Experimentation began at once, but for a long time above all counters of dress goods and in every garment department of the great stores were displayed the signs:—"No colors guaranteed fast".

Now these signs have disappeared. Good American-made dyes in fast colors and all beautiful shades have been produced, and we shall never again need to depend on Germany for our dyes.

The era of fighting is over and the era of investigation is well begun. To prevent unemployment we would suggest that each soldier as he is discharged should be placed on an investigating committee.

No one can be in two places at once. Congressman-elect Berger of Wisconsin fully expected to spend some time in congress. But an important engagement for twenty years at Fort Leavenworth is likely to prevent.

Our army in France seems to have had much more courage than artillery and a much larger stock of moral strength than of aeroplanes.

If the present eruption of Bolshevist marksmen continues, becoming a prime minister in Europe will be equivalent to taking out a burial permit.

General Pershing's attitude toward a possible presidential nomination

Sap and Salt

By BERT MOSES

God made the common people but man made the kings.

A cocktail lifts you up gently, but sets you down hard.

If we can't be decent without codes of ethics, we can't be with them.

Hez Heck says: "Women are sometimes so contrary they oppose the things they are in favor of."

Great men are those who do one thing big enough to divert attention from their many mistakes.

A gentleman is one who takes a kindly interest when the women folks are discussing the best way to make prune flip.

tion is most praiseworthy. It is seldom that a man is so absorbed in his own proper business as not to need the lure of a G. O. P. nomination.

NEWS OF COLORED FOLKS

The Modern Priscilla club met with Mrs. H. Bundrant yesterday evening with Mrs. Bundrant and Mrs. Hammonds as hostesses. After the general routine of business and needlework was laid aside, the evening was spent with music and games. Another surprise was planned for the bride elect. Each person present was given a slip of paper on which told the person to look a certain place. All returned empty-handed except Mrs. L. Newsome, who found two victrola records, the gift of the club. In another contest Mrs. Henry Miller was the winner and was presented with a picture which she presented to the guests Mr. and Mrs. H. Richardson of Detroit, Mich. At the close of the afternoon a dainty luncheon was served.

WHEEL LETS GO; MAN DIES

Anderson, Ind., Mar. 7.—Arthur Padgett, 35 years old, was killed instantly yesterday afternoon when a flywheel burst on a ditching machine on which he was working near Markleville. A piece of the wheel struck him in the head. Coroner Sells investigated the accident. Mr. Padgett had lived near Markleville all his life. He is survived by a widow and three children.

"OH, IF I COULD BREAK THIS COLD!"

Almost as soon as said with Dr. King's New Discovery Get a bottle today!

The rapidity with which this fifty-year-old family remedy relieves coughs, colds and mild bronchial attacks is what has kept its popularity on the increase year by year. DAN CUPID AMONG LIST OF LOBBYISTS

Is Not Registered With Secretary of State Because He Receives no Reward

MUNTON BILL IS STILL UP

Senator Munton, Who Was Recently Married, is Cause of Cupid's Latest Adventure

(By United Press.)

Indianapolis, Ind., Mar. 7.—Dan Cupid is included in the list of lobbyists at the Indiana legislature but is not among those registered with the secretary of state, owing to the fact that he claims he receives no financial rewards for his labors in the corridors of the state house during sessions of the general assembly.

Senator O. J. Munton, of Kendallville, who recently married is the cause of Cupid's latest adventure. The Munton bill provides that couples planning matrimony must visit a physician before obtaining a marriage license. It also requires the presentation of a certificate from a reputable physician as to the physical condition of both the man and woman before the clerk is permitted to issue a marriage license to them.

The certificate of the physician must set forth the fact that neither of the parties have a transmissible disease, are feeble minded or have tuberculosis, and must be presented to the clerk within thirty-six hours after the examination is made.

The Munton eugenics measure is in line with other health measures which have been introduced in the house and senate, several of which are still pending. The Alldredge bill provides for physical training of children in all schools in all cities of the state having a population sufficient to warrant such classes. The Alldredge bill was introduced for the purpose of preserving and bettering the physical condition of the future generations of the state and is in direct accord with the eugenics bill.

GRAPHIC STORY OF LINER SINKING TOLD

Thrilling Description of Destruction of Lusitania Feature of Welsh Co. Program

CONCERT PLEASURES BIG CROWD

The Royal Welsh Concert company entertained a large and appreciative audience at the Main Street Christian church last night. The feature of the appearance of the Welsh singers was a very descriptive story of the sinking of the Lusitania by a German submarine. The story was told by Rieea Williams, a member of the company who was aboard the ill-fated liner. He in company with eight other Welshmen who were returning to their native land, experienced a thrilling adventure on the open sea after the Lusitania had been sunk. According to Mr. Williams' story, he was drawn far down under the water by the suction when the liner went down. He clung to a piece of wreckage and was finally rescued. The horror of the night when the passengers were in a panic, when many leaped overboard and others were killed as the life boats were crushed at the side of the vessel, was graphically pictured by Mr. Williams.

Not the least important of the entertainment, however, was the singing of the Welshmen, who displayed their native ability as singers with a concert of great merit which was greeted with liberal applause.

HELD ON MURDER CHARGE

Seymour Ind., March 7.—Charles Pritchard, 62 years old, a laborer, was arrested here yesterday afternoon on a grand jury indictment charging murder in the first degree in connection with the death of his wife on Jan. 16, 1918. The woman was found dead in bed. The coroner's verdict was that her death was due to excessive alcoholism.

Gas masks are used now as protection against firedamp in British collieries.

Every piece very heavy and absolutely guaranteed.

E. E. POLK
HARDWARE

The World's Tractor

This one man single unit two wheeled Tractor weighs 1700 pounds and in ten hours will plow four acres. Disc twenty acres with a seven-foot tandem disc. Harrows forty-five to fifty acres with a 15-foot harrow. Plant twenty to twenty-five acres of corn, cultivate 20 acres with a two-row cultivator. Harvest ten acres with a corn binder. Cut twenty acres of wheat with an eight-foot binder. Mow fifteen acres with five-foot mower rake or pull a hay loader; and in addition can be used for belt work not requiring to exceed ten to twelve horse power.

This Tractor has been in use for four years and is not an experiment. It is superior in every detail of construction.

When the Indiana Silo Company went into the Tractor business four years ago, they found the trouble with Tractors was that they were always laid up for repairs. They have solved that part; they have so constructed it so as to reduce repair bill to a minimum and is so simple any boy can operate.

Tractor will be in Rushville, Saturday, February 15th, and will be more than pleased to demonstrate it as soon as weather permits.

Dear Sir:

My brother-in-law told me about you. He said whenever he needed any money you always helped him out. I will be in soon, as I want to get a loan so I can buy some spring shoats.

Yours,

How Long Must I Suffer From the Pangs of Rheumatism?

Is there no real relief in sight? Doubtless like other sufferers, you have often asked yourself this question, which continues to remain unanswered.

Science has proven that your Rheumatism is caused by a germ in your blood, and the only way to reach it is by a remedy which eliminates and removes these little pain demons from your blood. This explains why liniments and lotions can do no permanent good, for they cannot possibly reach these germs which infest your blood by the millions.

S. S. S. has been successfully used for Rheumatism for more than fifty years. Try it to-day, and you will find yourself at last on the right track to get rid of your Rheumatism. You can get valuable advice about the treatment of your individual case by writing to the Chief Medical Adviser, Swift Specific Co., Dept. D, Atlanta, Ga.

Janesville Sulky Plows

JANESVILLE Riding Plows have flexibility in the furrow. The plow bottom oscillates in the frame of the plow with much the same motion found in a walking plow.

The plow bottom hangs over a single bail and you can tell instantly whether you are hitched too high or too low in the clevis, as the result in either case is a rigid running plow.

This flexibility relieves the "pinch" at the plow point as well as along the cutting edge of the share. This reduces draft.

Because of this clean-cut furrow it helps the plow to scour in difficult soils.

The action of the Janesville Plow in the furrow is peculiar unto itself. It is guaranteed to work where any other plow will work under the same conditions, and we have found it has worked when others have failed.

Drop in the next time you are in town.

C. H. (Nick) Tompkins

JUDGE SPARKS UPHOLD BY SUPREME COURT

Decision in Connorsville Telephone Appeal From State Commission is Affirmed

ONE CONCLUSION CHANGED

The state supreme court has upheld a decision of Judge Will M. Sparks in the circuit court here in the case of the Connorsville Telephone company against the state public service commission, which required the telephone company to pay \$521 for the expense of a hearing conducted by the commission regarding rates and methods of operating the company. The telephone company appealed from the ruling of the commission to the Fayette circuit court and the case was sent here on a change of venue. Judge Sparks' decision set aside the ruling of the commission and ordered the commission to repay the company for the costs of the hearing, assessed against the company.

The higher court holds that there was no error in admitting additional evidence in the circuit court; nor in hearing evidence in regard to the actual workings of the commission. Furthermore, the supreme court's decision says Judge Sparks did not err in admitting the testimony of an expert telephone accountant. It is pointed out that the law allows the commission to tax the costs of the hearing against the utility only when the finding is against the utility. The local court, however, is instructed to modify the seventh conclusion of law in the judgment, by requiring the commission to pay the costs not from the state funds, but from a special fund appropriated for the commission.

Days Pickings

Mr. and Mrs. Ben A. Cox will move from their home in North Perkins street to Indianapolis in a few days.

A new telephone has been installed at the home of Frank Bender and the telephone number is 1687.

Mrs. Frank Bender, who has been seriously ill with the influenza, is not much improved.

It is believed that a record has been established on the Frank Mock farm south of Rushville where, on Tuesday night, three sows farrowed thirty-six pigs all but one of which are living. A tried sow farrowed thirteen, a gilt ten and another gilt thirteen.

Miss Mayme Kuntz of this city, who was driving an automobile which ran into a buggy in Connorsville last Monday afternoon, fatally injuring the horse, has suffered a nervous collapse as the result of the shock, and has been taken to the home of her parents in Columbia, Fayette county. The horse, which belonged to John Hosey of Connorsville, had to be killed after the accident.

What They Need

You just can't keep children from wading in water and tramping through slush and snow, but you can see that they do not suffer with coughs, colds, croup, sore throats or bronchitis following it.

Foley's Honey and Tar is just what they ought to have when they come in, cold and wet, sneezing and coughing. It makes them feel warm and comfortable, tastes good, soothes a raw inflamed throat, and prevents serious results from the wetting and chill.

Mrs. E. J. Bedard, Covington, Wash., writes: "Foley's Honey and Tar is the best cough medicine I ever used. I always keep it in the house. A quick cure for coughs and colds."

F. B. JOHNSON

TO USE LIME AS EXPERIMENT

As a result of thirteen samples of Noble township soil being tested yesterday afternoon at New Salem by Marion Detrick, county agricultural agent, several farmers of the township will order a car load of lime to use as an experiment on their land. The samples tested medium acid on down to no acid at all, showing that the soil needs lime, according to the county agent. The testing took place at Perkins and Mutney's hardware store and was attended by approximately thirty farmers.

The Mission band of the Little Flatrock Christian church will meet Sunday morning at 11 o'clock. Miss Elizabeth Newby will be leader.

Mrs. Jack Knecht will entertain the members of the Thursday Afternoon Bridge club tomorrow afternoon at her home in East Sixth street.

The Plum Creek Red Cross Auxiliary will meet Tuesday afternoon at the home of Mrs. Lillie Buell in Gings. Every member is requested to be present to help sew up the garments.

Miss Laverne Boyer was a delightful hostess for the Social Six club yesterday afternoon at the home of her mother, Mrs. Bessie Boyer, in North Jackson street. Music and games were the chief amusements for the afternoon and dainty refreshments were served.

The Pythian Sisters met Wednesday evening in the K. of P. hall in West Second street. An unusually good program was given and after the business session was over the remainder of the evening was spent socially. One of the special features of the evening was a vocal solo by Pearl Wamsley.

The Little Flatrock Missionary society held their regular monthly meeting yesterday afternoon in the parlors of the church. The leader for the program was Mrs. Clyde Wilson. The special numbers on the program were a piano solo by Mrs. Paul Morris and a well written paper read by Mrs. Alta Smith and a solo by Mrs. Mamie Stevens. The Bible study was conducted by Mrs. Anna Heaton.

Among the many social events given in honor of Mrs. Ed Chambers' house guest, Mrs. John Chambers of Pearson, Maryland, was the informal party given by Mrs. Ed Chambers yesterday afternoon at her home in East Seventh street. The guests, who included neighbors, were entertained socially.

Last evening Mrs. Fred Lightfoot

Dr. John M. Lee

House Phone — 1738

of near Falmouth, gave a dinner party in honor of Mrs. John Chambers, who left for her home in Maryland today. Covers were laid for twelve guests.

The members of the Christian Woman's Missionary society of the Main Street Christian church met yesterday afternoon in the parlors of the church for their regular monthly session. The program carried out was as follows: Bible Study, "The Book of Malachi," Mrs. Roy Waggener; Women Wage Earners of the Orient, Mrs. Albert Allen; Music by Charlotte Norris; Missionary Facts by Mrs. Austen Frazee; music by Miss Helen Matlock. The next meeting will be held on Thursday afternoon, April 3.

John McKee of New Salem was pleasantly surprised Wednesday evening by a number of his friends, the occasion being in honor of his 44th birthday. A pitch-in supper was served, the table being decorated with a large basket of fruit. Music and games were the amusement for the evening. Those who enjoyed the affair were Mr. and Mrs. Lory Murphy, Mr. and Mrs. Mont Sefton and daughter Mr. and Mrs. Mont Stewart and family, Mr. and Mrs. Lon Ryan, Mr. and Mrs. William Moore and family, Mr. and Mrs. Sid Hunt and family, Mr. and Mrs. Carl Wilson and family, Mr. and Mrs. Charles Wilson and family, Mr. and Mrs. Frank Wilson and family, Mrs. C. H. McKee, Mrs. Leona Darnell, Mr. and Mrs. Earl Madney, Miss Helen Moore, Mr. and Mrs. Hays Bever and family, and Mr. and Mrs. D. D. Barber.

REFUSE USE OF SHIPS FOR U. S. TRANSPORTS

Continued from Page One
stands as it was. Decisions were reserved, however, with regard to the proposal that the Kiel canal be destroyed and the fate of the German fleet is also still undecided.

Final military terms to be imposed upon the Germans will probably be even more drastic than those proposed by the supreme war council.

Andre Tardieu, commissioner of France-American relationship, said that while the representatives of the five great powers must have agreed on naval terms, they had not yet agreed on military terms because it seemed the desire that they should be more stringent than the supreme war council proposed.

With regard to the question of whether the league of nation covenant shall be included in the peace treaty with Germany, the commissioner explained the covenant itself would be signed, by the allies and later, when admitted to the league, by Germany.

"What's What" In New Spring Tailor-Mades

Dame Fashion is specializing on the tailor-made—so there's little wonder that suits and coats have appeared with so many new and charming styles.

Snug sleeves, trim shoulders and skirts tapered just right give the favored narrow silhouette.

Little touches—especially braid—make the strictly tailored less severe.

Box suits supplant the Eton with a new little swing all their own.

Belted models take on an air with oddly tucked pockets, tuxedo girdles and shawl revers.

Let us show you these Wooltex tailor-mades that are illustrated and many others just as attractive—the last word in Spring styles.

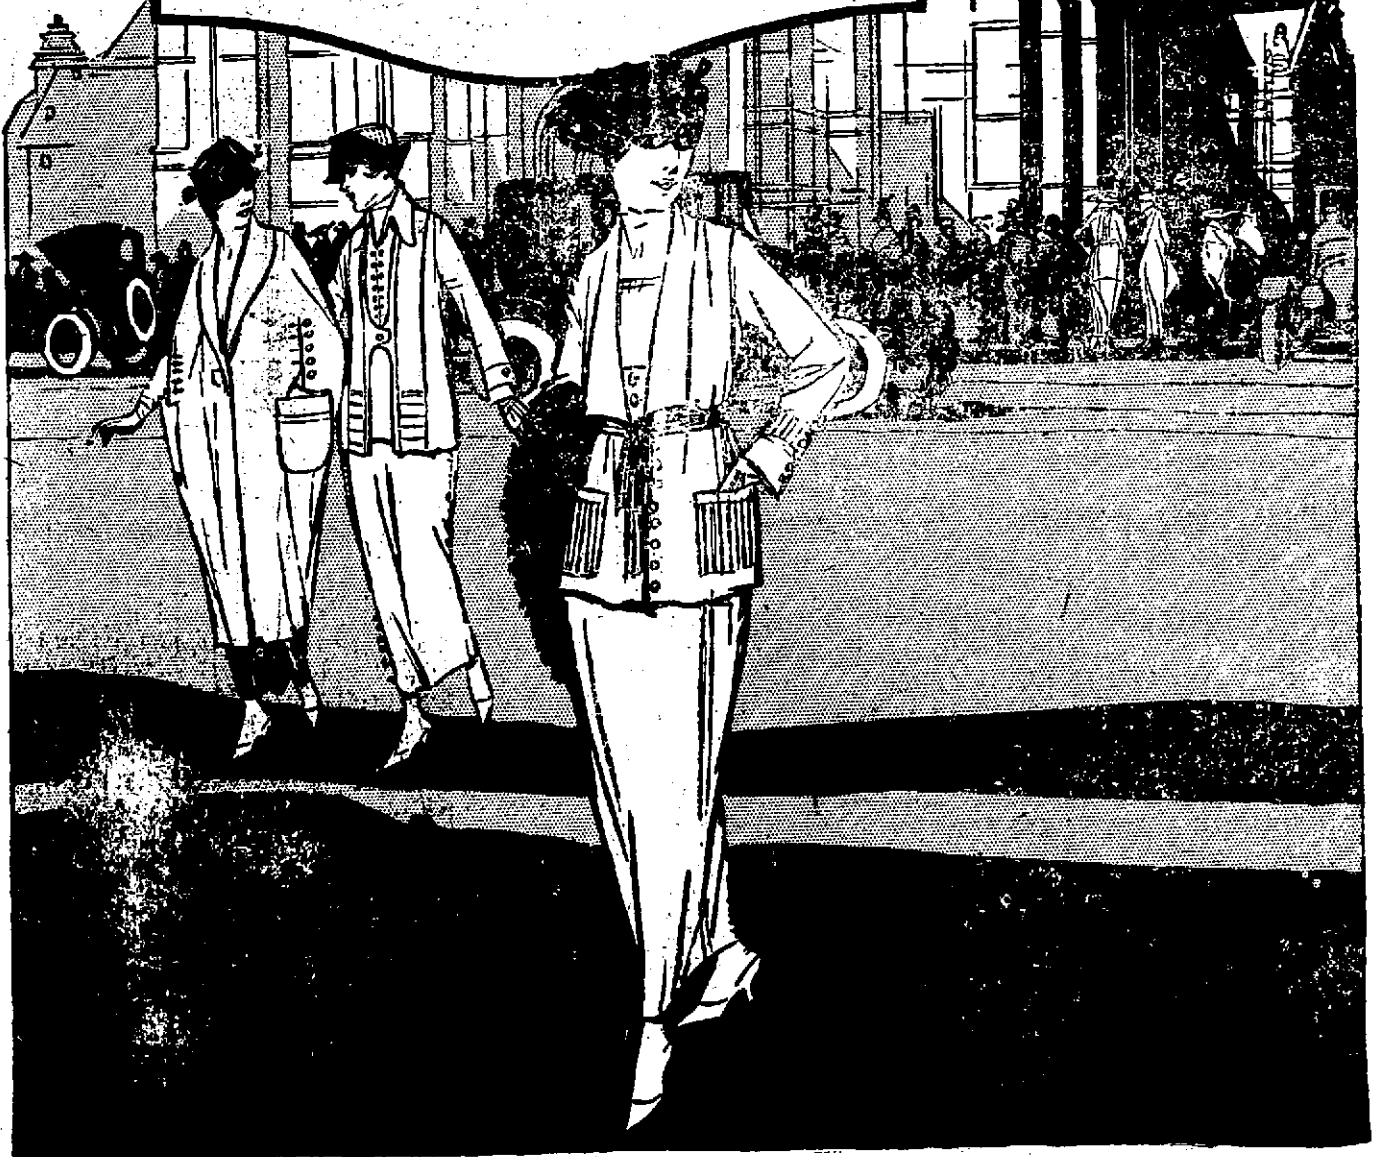

The Mauzy Co.

Illustrated—from left to right:

SENATE TAKES UP APPROPRIATIONS

Continued from Page One
ing the state tax reform bill designating the amendments that had been adopted was introduced in the regular session of the senate Thursday afternoon.

The amendments were adopted and under suspension of the rules the bill was passed by a vote of 27 to 23.

Students of the tax question who followed the proceedings of the senate as it went through the bill section by section were inclined to pass judgment by saying that "a good piece of work had been done" and that the tax measure as it stood after acted on by the senate should if enacted into law do much toward equalizing taxation in the state and doing away with many of the injustices of the present system.

The debate kept up for nearly an hour before the roll was called on passage of the bill after 6 o'clock p. m. Elmer, democrat, spoke against the measure again, as did Nejdil of the Bush-McCray-Nejdil crowd which got its name from Lieutenant-Governor Bush, Senator McCray and Senator Nejdil. McCray

also spoke against the measure before its passage. It was defended by Senators Beardsley, Minton and Wolfson. Senator Kiper also said he was for some better system of taxation and Senator Van Aulen, one of the leading democrats of the senate, defended the bill, saying of taxation: "In God's name can anything be worse than the present system?" Senator Duffey said many of the most progressive farmers were for the measure, and Sen. Bracken said one of his proudest votes would be the one cast for the bill.

DANCE AT SPRING OPENING

Large crowds gathered at the second day of Oneal Brothers annual spring opening, this afternoon. The Greensburg jazz orchestra was engaged for today and tomorrow, and immediately after the music began this afternoon, the floor was cleared and the guests began dancing.

FIVE PERSONS SHOT.

Detroit, Mar. 7.—Five bystanders are in hospitals here today, following the attempt of several Sicilian gunmen to shoot Chester Lawar, owner of a cafe. The gunmen escaped.

CONCLUDES HIS TESTIMONY

Robins Pleads For Allies to Get Own Facts of Bolshevism.

(By United Press.)

Washington, Mar. 7.—Raymond Robins today concluded two days' testimony before the senate Bolshevik investigating committee, with a plea that American allied governments take nobody's word on conditions in Russia but gather facts themselves for opinions on which to base their future policy. Robins declared that Bolshevism is the world's greatest menace and that America is the only nation that can stem the tide.

That American and allied intervention in Siberia caused the spread to England, France and China, was his declaration.

ATTACK LEAGUE OF NATIONS.

New York, Mar. 7.—Senators Reed of Missouri, Borah of Idaho, and Thomas of Colorado, attacked the league of nations plan in speeches here before the Society of Arts and Sciences last night.

Indigestion, Gas and Bloat From Acid-Stomach

An acid-stomach cannot digest food properly. Instead, the food sours and ferments and, passing into the intestines, becomes a breeding place for countless millions of deadly germs—poisons which are absorbed into the system and cause untold misery. So, you see, it is just acid-stomach, nothing else—that makes so many people weak, listless and unfit; saps their strength and energy; robs them of their vigor and vitality. Blisters, bad liver, nervousness, blinding, splitting headaches, rheumatism, lumbago, sciatica—these and many other still more serious ailments often are traced to the common source—an acid-stomach.

Take EATONIC and get rid quickly of the pains of indigestion, heartburn, that horrible, lumpy, bloated feeling after eating; disgusting, belching, food-repeating; sour, gassy stomach. These stomach miseries are caused by what doctors call "Hyperacidity." It's just ACID-STOMACH. And in addition to the pains and miseries it causes, ACID-STOMACH is the starter of a long train of ailments that most people never dreamed are in any way connected with the stomach.

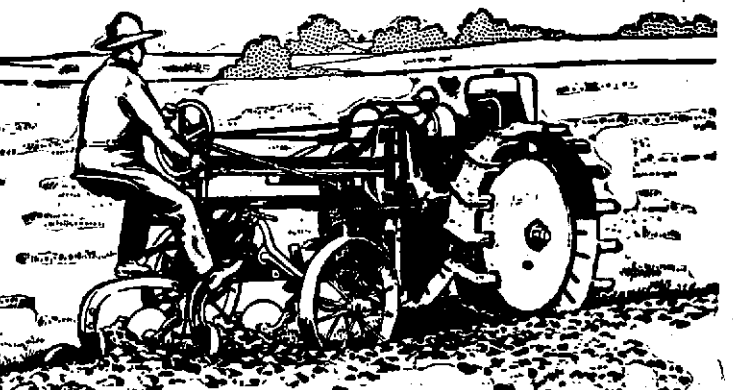

Pleasant tasting EATONIC TABLETS that you eat like a bit of candy, quickly put an end to your stomach troubles. They act as an absorbent—literally wipe up the excess hurtful acid and make the stomach pure, sweet and strong. Help digestion so that you get all the power and energy from your food. You cannot be well without it!

If you are one of those who have "tried everything" but in spite of it still suffer all kinds of acid-stomach miseries—if you lack physical and mental strength and vigor—begin at once to take EATONIC. Get back your physical and mental punch and enjoy the good things of life. Like thousands of others you will say you never dreamed that such amazingly quick relief and such a remarkable improvement in your general health was possible.

Your druggist has EATONIC. We authorize him to guarantee it to give you instant relief or refund your money. Get a big box of EATONIC today, it costs but little and the results are wonderful!

EATONIC FOR YOUR ACID-STOMACH

ONE MAN OPERATES BOTH TRACTOR AND IMPLEMENT

MOLINE UNIVERSAL TRACTOR

It Solves The Farm Help Problem

With two 14-inch bottoms, under average plowing conditions, the new Moline Universal Tractor, Model D, plows 9 acres in 10 hours, as much as ordinary 3-plow machine. The superior efficiency of the Moline Universal is due to its higher speed, 3 1/2 miles an hour, two bottoms at 3 1/2 miles giving the same number of plow-miles as three bottoms at 2 1/2 miles.

Plowing at 3 1/2 miles an hour gives ideal results, the ground being pulverized more thoroughly than at slower speeds, with less air space. Tough sod that cannot be turned at all at 2 1/2 miles an hour is plowed with ease.

Perfect work is assured with the Moline Universal through the advantageous position of the operator, who sits on the implement, where he must sit in order to do good work. The Moline Universal is easily handled, turns short, and backs as readily as it goes forward.

Waste of time in the field is eliminated and the tractor kept at productive work a maximum number of hours a day through a complete electric starting and lighting system. The Moline Universal is the only tractor thus regularly equipped.

The secret of the speed and power of the Moline Universal lies in its perfected overhead-valve engine and two-wheel construction. The engine develops 18 horsepower at the belt, and 9 at the drawbar, every ounce of which is available for pull. There are no dead wheels to drag along that only carry weight and steer.

For plowing in extremely soft ground, the Moline Universal is equipped with a differential lock that enables the two drive wheels to be locked together, doubling their pulling power.

When plowing the land wheel is raised so that the tractor is level. The wheel is very easily and quickly raised or lowered.

The light weight of the Moline Universal, 3380 pounds, and its high clearance, 29 1/2 inches, make it adapted for all other field work, besides plowing. With it one man can plant 40 acres a day, cultivate 20 acres a day, harvest 25 acres a day, or do any other work with equal speed. It is the ideal tractor for any sized farm, practically eliminating horses and solving the farm help problem.

Call and let us show you this remarkable machine.

DOUGHBOYS DON'T SPEAK TO GERMANS

No Need to Worry About The Reports of the Yanks Fraternizing With The Huns

GERMANS HAVE PLENTY FOOD

If an American Soldier is Seen Speaking to a German He is Arrested at Once

(By United Press.)

Coblenz, Feb. 10.—(By Mail)—

Many Frenchmen and Americans are said to be worrying over rumors that the Americans are fraternizing with the Germans; that many of the boys from the states speak German just as some Rhinelanders speak English; that the Germans give the Americans warm rooms, comfortable beds, black their boots and see that they get delicacies.

"Well, there may be rumors of fraternization, but they are rumors only," said General Dickman, commander of the American sector, to a correspondent of the United Press at headquarters here.

"If an American speaks to a German, man or woman, he is arrested. The only exception is in the case of children. There is an inherent love of little folk in the hearts of the American soldiers, and all the regulations in the world will not prevent them from playing with the kids."

The general was asked if the Germans are short of food in the American sector.

"They seem to have plenty of it," he answered. "Vegetables are common and cheap, the only shortage being in fats and milk."

"In one town where there was a complaint from the Germans that

OHIO COLLEGE GIRL TESTED & PROVEN

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation

For months Rushville readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. What other remedy ever produced such convincing proof of merit?

A. M. Younger, retired farmer, 828 W. Tenth St., Rushville says: "I have been using Doan's Kidney Pills off and on for about ten years and they have done me good. When a man gets as old as I, he is apt to have more or less trouble with his kidneys. At times I have had a dull ache across the small of my back and my back has been weak and lame. Then the kidney secretions have been too frequent in passage, causing me to get up at night. Every time I have been that way, I have bought a box of Doan's Kidney Pills at Johnson's Drug Store and they have never failed to relieve me in a short time."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Younger had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.—(Adv.)

they had no livestock or fowl some one asked a German why they did not eat the chickens. He caught one and showed a number on its leg. The systematic German authorities made the owner of the chicken responsible for three eggs a week.

"There is plenty of game in the forests' wild boar being good table diet, also breeding rapidly. The Americans were potting this game when we issued orders prohibiting them from shooting it."

General Dickman has not had the slightest trouble with the Germans since the occupation. Local German functionaries are holding down their jobs as usual, burgomasters being held to a strict accounting for everything that transpires. These officials issue safe conduct passes. In only two cases has an abuse been found. Two well known Berliners came to Coblenz under assumed names. The American intelligence service discovered the deception in 23 hours, the burgomaster was brought up on charges, and fined 1,500 marks.

The closest watch is kept by General Dickman's headquarters upon the telephone telegraph and mail.

Half a dozen trunk lines only are permitted for the telephone. Messages are largely restricted to business calls. If there is an abuse the headquarters knows it immediately. General Dickman has a direct wire to Berlin.

Americans are not overcharged in stores here. General Dickman will not permit it.

In some of the smaller towns when preliminary billeting lists were scrutinized it was seen that nearly all of them were in middle class or poorer homes. In such cases the burgomasters were instructed that if the wealthy tried to escape having American billeted with them 50 American soldiers would be placed in each of their houses. There was no more reluctance to receive American troops.

The Americans are under the strictest discipline. Everywhere fairness is recognized, and they make the occupation as painless an operation as possible.

WISE HUN LACKEYS ARE AGAINST GOVERNMENT

German Government Building Employees Did Not Receive New Officers With Joy

WERE CALLED FOR A CAUCUS

(By United Press.)

Berlin, Feb. 6. (By Mail).—Lackeys in the cabinet building and the foreign office did not view the early revolutionary proceedings with joy. They were against the new government for a while.

The story goes, the head lackey called the other lackeys together in a janitor's room of the cabinet building, where they discussed recognition of the revolutionary officers.

"Who are these new men?" they asked. "We don't know them. Will we recognize them or will we not?"

It was finally decided to recognize them, not because the lackeys were won over to the new government, but in view of the general scarcity of jobs in Berlin and the high cost of food.

YOU CAN'T READ 'EM. BUT WHAT OF THAT!

(By United Press.)

London, Feb. 12. (By Mail).—The visitor's books at the Hotel Majestic and the Hotel Astoria in Paris should be worth their weight in gold to the autograph fiend.

Celebrities from all over the world have signed their names in one or the other and the books stand as lasting proof of the illegibility of the handwriting of great men.

MOTHER GRAY'S POWDERS BENEFIT MANY CHILDREN

Thousands of mothers have found Mother Gray's Sweet Powders an excellent remedy for children complaining of headaches, colds, feverishness, stomach troubles and other irregularities from which children suffer during these days and excellent results are accomplished by its use. Used by mothers for over 30 years. Sold by Druggists Everywhere.—(Adv.)

DRUGGISTS VICK'S VAPORUB SHORTAGE OVERCOME AT LAST

The Deal Scheduled For Last November, Which Was Postponed on Account of the Influenza Epidemic, Is Now Re-instated—Good During the Month of March.

OVER ONE MILLION JARS OF VAPORUB PRODUCED EACH WEEK.

It is with pride that we announce to the drug trade that the shortage of Vick's Vaporub, which has lasted since last October, is now overcome. Since January 1st, we have been running our laboratory twenty-three and a half hours out of every twenty-four. Last week we shipped the last of our back orders, and retail druggists, therefore, are no longer requested to order in small quantities only.

NOVEMBER DEAL RE-INSTATED

This deal, which we had expected to put on last November and which had to be postponed on account of the shortage of Vaporub, is re-instated for the month of March. This allows a discount of 10% on shipments from jobbers' stock of quantities of from 1 to 4 gross. 5% of this discount is allowed by the jobber and 5% by us.

We advise the retail druggists to place their orders immediately, so that the jobbers will be able to get prompt shipments to them.

THANKS OF THE PUBLIC DUE THE DRUG TRADE DURING INFLUENZA EPIDEMIC.

The thanks of the American public are certainly due the entire drug trade—retail, wholesale and manufacturing—for what they accomplished during the recent influenza epidemic. The war caused a shortage of physicians—nurses were almost impossible to obtain—the demand on the drug trade was unexpected and overwhelming, and to this demand they responded nobly. Retail druggists kept open day and night and slept where they dropped behind the prescription counter. Wholesale druggists called their salesmen off the road to help fill or

ders—hundreds wired us to ship Vick's Vaporub by the quickest route regardless of expense.

A TREMENDOUS JOB TO INCREASE OUR PRODUCTION.

In this emergency we have tried to do our part. We scoured the country for raw materials—our Traffic Manager spent his days riding freight cars in—we shipped raw materials in earload lots by express and pleaded with manufacturers to increase their deliveries to us.

But it was slow process. Some of our raw materials are produced only in Japan—supplies in this country were low and shipments required three months to come from the Far East. Then we had to recruit and train skilled labor. We brought our salesmen into the factory and trained them as foremen. We invented new machinery, and managed to install it on Christmas Day, so as not to interfere with our daily production.

143 JARS OF VAPORUB EVERY MINUTE DAY AND NIGHT

By January 1st we had everything ready to put on our night shift, and since then our laboratory has been running day and night. To feed our automatic machines, which drop out one hundred and forty-three jars of Vaporub a minute or one million and eighty thousand weekly, has required a force of 500 people. Our Cafe Department, created for the benefit of these workers, served 7000 meals during the month of January alone.

13 MILLION JARS OF VAPORUB DISTRIBUTED SINCE OCTOBER

An idea of the work we have accomplished this Fall may be given by our production figures—13,028,976 jars of Vaporub manufactured and distributed since last October—one jar for every two families in the entire United States.

During the influenza epidemic, Vick's Vaporub was used as an external application in connection with the physician's treatment, and thousands of people, unable to

obtain a doctor, relied on Vick's almost exclusively. Literally millions of families all over the country, from California to Maine, and from the Great Lakes to the Gulf, have found Vick's Vaporub the ideal home remedy for croup and cold troubles.

LAXATIVE for Aged People

THE BANE of old age is constipation. The bowels become weak and unable to perform their functions without aid. For this purpose only the mildest and gentlest laxative should be used. The use of harsh cathartics aggravates the trouble and makes the constipation worse. Chamberlain's Tablets are a favorite with people of middle age and older on account of their gentle action.

Chamberlain's Tablets

Amusements

Thriller at the Mystic.

Some poor fish who paid ten cents to see Herbert Rawlinson in "Come Through", at a small house, overlooking the gripping story and the whirlwind fight, complained to the manager that Rawlinson did not look used up and had not a mark on his face in the final close-up. Now that wouldn't faze some people, but the manager wrote to Rawlinson and the star got peeved.

"I want a story", he told Henry McRae, "that shows that I'm being placed in danger of my life. I've taken all kinds of chances in films and been hurt many times. But this guy makes me sore. He wants to see me suffer. All right, it doesn't hurt me any more if he sees it. I have to feel it either way. So give me a story that has all the stunts you ever saw".

The scenario department was then searched and a story which was under consideration for enlarging into a serial was shown to him. It was called "Smashing Through". All the hero had to do by way of exercise was to fight a posse of cowboys who were after another man, escape down a mine shaft with the girl in his arms pursue the girl in an auto, permit it to be wrecked by a collision with another car, steal a motorcycle and ride at breakneck speed, jump from the motorcycle going at full speed to a freight train, and land on the trucks just over the track, while the train is making thirty miles an hour.

It will be shown at the Mystic theatre tonight. Elmer Clifton is responsible for the remarkable speed and dash of "Smashing Through."

Billie Burke at Princess

Beautiful Lake Placid, in the Adirondacks in New York, was the background for most of the charming scenes pictured in "The Make Believe Wife." Billie Burkes new Paramount picture, which is being shown at the Princess theatre tonight. This is a rollicking photocomedy in which Miss Burke displays her talents as a comedienne to the best possible advantage.

In the story Miss Burke portrays the role of a young society woman who is engaged to a lawyer. She is hostess to a house party at her home in the Adirondacks when she and a young athletic society man stray off together and are lost. They are seeking their bearings when a storm comes up and they are obliged to

spend the night in a cabin which they providentially discover.

This unusual situation is made the pretext for a demand upon the couple to wed, after they have been found by a searching party. They agree to this, for each secretly loves the other despite the fact that they are promised in other quarters. After their marriage the groom hastens away to China so as to permit his bride to obtain a divorce. But through the substitution of suitcases this plan goes awry and the couple are later reunited under dramatic and highly amusing circumstances, as the sequel proves.

Miss Burke is splendidly supported in this production, her leading man being David Powell, a favorite screen player. The picture was adapted for the screen by Adrian Gil-Spear and directed by John Stuart Robertson.

FRENCH INCLINED TO BE SARCASTIC OVER IT

Admit U. S. Put Over one of the Most Farsighted Diplomatic Victories in The World

NINE VOTES FROM AMERICAS

(By United Press.)

Paris, Feb. 10. (By Mail).—While admitting that the United States put over one of the most farsighted diplomatic victories in the history of the world in showing up at the peace conference with nine votes from North American, Central American and South American states, as against Great Britain's six, and the one vote of each of the other great powers, nevertheless the French press is inclined to be sarcastic about it.

This is the way, "L'Intransigeant" expressed it: "France, which had 1,385,000 killed in the war, has only one vote, the same as Japan, which lost very few men. England, with 658,706 dead, has six votes and America for 36,154 dead has nine votes."

"Does this mean that blood has no price? The blood which was not to be shed for conquering foreign soil has not even conquered for us the right to talk."

The first four-cylinder automobile was brought out in 1900.

Fagged Out Women Vinol is What You Need

If all the tired, overworked, run-down women in this community could realize how our delicious Vinol, which contains Beef and Cod Liver Peptones, Iron and Manganese Peptonates and Glycophosphates supplies the vital elements necessary to enrich the blood and create working strength, we wouldn't be able to supply the demand.

Dukedom, Tenn.

"I live on a farm and keep house for six in my family. I got into a nervous, run-down condition so it seemed as though I would die. A friend advised me to try Vinol. I have been greatly improved by its use and am better and stronger in every way."—Mrs. H. H. Goodwin.

Bardonia, N. Y.

"I keep house for my family of three, and raise chickens. I had a nervous breakdown, so I was unable to work. The doctor did not seem to help me, and a cousin asked me to try Vinol. It built me up—I now have a good appetite and am well and strong."—Mrs. Loyal Palmer.

For all run-down, nervous, anaemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

This page is read eagerly by over 5,000 readers daily. It is available for merchants, farmers, professional men and all progressive people.

OUR RATE

All advertisements, except display, are charged for at the rate of one-half cent per word for each insertion.

We earnestly solicit these advertisements by telephone and expect payment when the collector calls. Ads mailed in should be accompanied by the remittance, as the amount is generally too small to justify bookkeeping.

Cards of Thanks and Obituaries are charged for at the same rate, minimum 25 cents. No charge accounts opened.

CLASSIFIED ADVERTISEMENTS ARE NOT TAKEN AFTER 10:00 A. M. FOR PUBLICATION ON THE SAME DAY.

NOTICE TO CONTRACTORS

Notice is hereby given that sealed bids will be received at the county auditor's office in Rushville, Indiana, up until 2 o'clock p. m. on SATURDAY, MARCH 29, 1919, for the construction of the Chester Cross et al. Highway in Jackson township, Rush County, Indiana, according to plans and specifications now on file in the county auditor's office.

Said road is 4878 feet in length and is to be constructed of crushed stone.

All bids must be accompanied by bond as required by law.

The board reserves the right to reject any or all bids.

Witness my hand and seal this 4th day of March, 1919.

WILLIAM H. McWILLIN
Auditor Rush County.

NOTICE TO NON-RESIDENTS.

THE STATE OF INDIANA, RUSH COUNTY.
In the Rush Circuit Court February Term, 1919.
William Degler vs. Stanley J. Sanford et al.
Complaint No. 1772.

Now comes the plaintiff, by John A. Titeworth, his attorney, and files his complaint herein, together with an affidavit that the defendants Stanley J. Sanford, Lottie A. Sanford, wife of Stanley J. Sanford, William Sanford and Arthur P. Foran, are non-residents of the State of Indiana; that said action, in effect, is a conspiracy and damages and to quiet title, and that said non-resident defendants are necessary parties thereto.

Notice is therefore given said defendants, that unless they be and appear on May 12th, 1919, the first day of the next term of the Rush Circuit Court to be held on the first Monday of May A. D. 1919, at the Court House in Rushville, in said County and State, and answer or demur to said complaint, the same will be heard and determined in their absence.

Witness my name and the seal of said Court, at Rushville, Indiana, this 5th day of March, A. D. 1919.

GEO. E. MOORE JR., Clerk.
Mar-7-14-21-22

NOTICE TO CONTRACTORS

Notice is hereby given that sealed bids will be received at the county auditor's office in Rushville, Indiana, up until 2 o'clock p. m. on SATURDAY, MARCH 29, 1919, for the construction of the Fred McKenna et al. Highway on the line between Jackson and Center townships, in Rush County, Indiana, according to plans and specifications now on file in the auditor's office.

Said road is 7202 feet in length and is to be constructed of crushed stone.

All bids must be accompanied by bond as required by law.

The board reserves the right to reject any or all bids.

Witness my hand and seal this 4th day of March, 1919.

WILLIAM H. McWILLIN
Auditor Rush County.

NOTICE TO CONTRACTORS

Notice is hereby given that sealed bids will be received at the county auditor's office in Rushville, Indiana, up until 2 o'clock p. m. on SATURDAY, MARCH 29, 1919, for the construction of the John G. Seale et al. Highway in Rushville township, Rush County, Indiana, according to plans and specifications now on file in the auditor's office.

Said road is 15 329 feet in length and is to be constructed of concrete ten feet wide with a base of crushed stone three feet wide on either side.

All bids must be accompanied by bond as required by law.

The board reserves the right to reject any or all bids.

Witness my hand and seal this 4th day of March, 1919.

WILLIAM H. McWILLIN
Auditor Rush County.

NOTICE OF FINAL SETTLEMENT OF ESTATE

Notice is hereby given to the creditors, heirs and legatees of Charlotte Innis, deceased, to appear in the Rush Circuit Court, held at Rushville, Indiana, on the 29th day of March, 1919, and show cause, if any, why Final Settlement Accounts with the estate of said deceased should not be approved and said heirs be notified to receive and there make proof of heirship, and then their distributive shares.

Witness, the Clerk of said Court, this 5th day of March, 1919.

GEO. E. MOORE, JR.,
Clerk Rush Circuit Court.
S. L. Innis, Attorney.

FAVORS PAYMENT DAMAGES

Mexico Also Liquidates All of Its Foreign Debts

Mexico City, March 6.—The Mexican government favors payment of all just damages resulting from revolutions; liquidation of all foreign debts and amendments of confiscatory oil laws, it was announced by officials here.

President Carranza declared that all just damages incurred as the result of the revolutions will be paid in full and that the government will not repudiate any foreign debt. "No foreign loan is needed," the president said.

FARMER, 77, HANGS HIMSELF

Goshen, Ind., Mar. 7.—With only 50 cents left John Poynter, 77 years old, once a prosperous farmer near Shippshewana, became despondent and hanged himself yesterday in a barn. His farm was sold several months ago to pay a mortgage. One son, John Poynter and a daughter, Mrs. Samuel Davis, reside at Seattle, Wash.

MEIERS SUPPLY CO. means. Come in and see me or better still make our place your HOME while in town, nothing would please me better.

Yours,
JAS. H. TARPLEE

WEAKNESS REMAINS LONG AFTER Influenza

Reports Show That Strength, Energy and Ambition Return Very Slowly to Grippe Patients.

After an attack of influenza, doctors advise that nature be assisted in its building-up process by the use of a good tonic—one that will not only put strength and endurance into the body, but will also help to build up and strengthen the run-down cells of the brain.

One of the most highly recommended remedies to put energy into both body and brain is Bio-feren—your physician knows the formula—it is printed below.

There's iron in Bio-feren—the kind of iron that makes red blood corpuscles and creates vigor. There is lecithin also; probably the best brain invigorator known to science. Then there is good old reliable gentian, that brings back your lagging appetite.

There are other ingredients that help to promote good health, as you can see by reading this formula, not forgetting kolo, that great agent that puts the power of endurance into weak people.

Taken altogether Bio-feren is a splendid active tonic that will greatly help any weak, run-down person to regain normal strength, energy, ambition and endurance.

Bio-feren is sold by all reliable druggists and is inexpensive. For weakness after influenza patients are advised to take two tablets after each meal and one at bed time—seven a day, until health, strength and vigor are fully restored.

It will not fail to help you and if for any reason you are dissatisfied with results your druggist is authorized to return your money upon request—without any red tape of any kind.

Note to physicians: There is no secret about the formula of Bio-feren. It is printed on every package. Here it is: Lecithin; Calcium Glycero-phosphate; Iron Peptonate; Manganese Peptonate; Ext. Nux. Vomica; Powdered Gentian; Phosphothalein; Oleocarin; Capsicum; Kolo.

RUSHVILLE LAUNDRY

A MOTHER'S STRENGTH

Mother, whose hands rock the cradle, often needs more than ordinary food to help maintain the blood-quality and strength and to assure adequate nourishment to the child. It is as unwise for the mother, as it is dangerous to the child, to place dependence upon alcoholic stimulation, for strength is not found in alcohol.

SCOTT'S EMULSION

of purest cod liver oil, absolutely free from alcohol, is mother's true friend, in that it performs a two-fold duty. Scott's is tonic-nourishment, particularly fitted for the trying period of motherhood.

SCOTT'S EMULSION BUILDS UP STRENGTH.

Children's Shoes Last Longer

when repaired with honest materials by our modern machine method. Children's feet are kept dry and warm in shoes we repair. Parents quickly note the savings effected through our low prices for long-wearing repair work. We guarantee all work. Try us next time.

MILLER and CARR, Auctioneers.

High School Notes

Shelbyville was more surprised at winning the cup Saturday than Rushville was at letting them win it. Rushville won 72 points during the tournament while Shelbyville made only 69. From that standpoint we should have won.

Keating established a record Saturday, making 22 out of 29 fouls pitched. If the whole team was composed of Johnnies they would be the state champions.

There is always a contrast between Rushville's dressing room and that assigned to Shelby. Last year theirs was blue with soles and tears. This year ours was blue with line streaks.

Because of the large number of teams wishing to participate in the sectional tournament at Richmond and the inability to accommodate all, Rushville will go to Franklin instead. This gives the team a chance to get revenge on Shelbyville. Rushville has drawn Nimveh for their first game and there can be no doubt about the outcome. Shelby has defeated Nimveh 112 to 2 so our substitutes will get a chance to show what they know about basketball in the first game. Rushville will then undoubtedly meet Shelby in the semi-finals Saturday afternoon and this will be a time when history doesn't repeat itself, according to Harold Pittsworth. Yea, Rushville, lets go.

Quite a number of the high school students will go with the team to Franklin Friday. Mr. Taylor has been so kind as to grant that privilege to any who wish to attend if they will make up the work. If the team reaches the finals Saturday night, the whole school may go.

The tournament was a great financial success. Mr. Taylor said we made enough money to buy hundreds of loving cups but of course we wanted that special one. Even if we didn't win it, Rushville still holds her reputation as a royal entertain-

PRINCE INVENTS LABOR SAVING LETTER SYSTEM

Nicholas of Roumania Had Method to Put One Over on His Parents at Home

LETTERS ARE DUPLICATED

(By United Press.)

London, Feb. 20. (By Mail).—Prince Nicholas of Roumania, now attending Eaton, England's famous preparatory school, has solved the problem presented by the necessity of writing that weekly letter home. American boarding school boys

KEEP IT SWEET

Keep your stomach sweet today and ward off the indigestion of tomorrow—try

KI-MOIDS

the new aid to digestion. As pleasant and as safe to take as candy.

MADE BY SCOTT & BOWNE, MAKERS OF SCOTT'S EMULSION

might take a tip from him. By adopting the prince's system they will find unnecessary long hours of pencil biting and wearisome concentration on the question of what to write to interest dad and mother.

The prince keeps a daily log of his doings. It is written in duplicate with a sheet of carbon paper. At the end of the week the prince neatly tears off two sheets, places them in envelopes and mails them to dad and mother. In his case dad is King Ferdinand I and mother is Queen Marie.

Prince Nicholas, however, in addition to sending the diary sheets, mails frequent letters home.

The prince, who is 15, is democratic and wants to be treated at Eaton just like any other student. He is of sturdy build and is anxious to learn English sports. He speaks English without a trace of accent and is of English descent, since his mother is the granddaughter of the late Queen Victoria and the daughter of the English duke of Saxe-Coburg and Gotha.

TO LOWER COST OF LIVING

French Government Starts Offensive Against Profiteering.

Paris, Mar. 6.—The French government started an offensive against profiteering today with the expectation of lowering the cost of living in Paris 40 per cent within a fortnight. Fifteen large sheds located in various public squares were opened for sales of governmental controlled provisions. More will be opened as soon as possible. The supplies consist principally of food brought from the interallied commission.

\$75,000 HALL FOR DANVILLE

Danville, Ind., March 6.—The K. of P. Lodge of Danville this year will erect a three-story Castle Hall to cost approximately \$75,000. The site is on the east side of the public square. The building is to be of stone.

"Gee-Whiz! How it Hurts!" --The Pain in My Foot!"

"Sometimes it is in my arm. Merciful Heaven, how my back hurts in the morning!" It's all due to an overabundance of that poison called uric acid. The kidneys are not able to get rid of it. Such conditions you can readily overcome, and prolong life by taking the advice of Dr. Pierce, which is "keep the kidneys in good order."

"Avoid too much meat, alcohol or tea. Drink plenty of pure water, preferably hot water, before meals, and drive the uric acid out of the system by taking Anuric." This can be obtained at almost any drug store.

Send a bottle of water to the chemist at Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., and you will receive free medical advice as to whether the kidneys are affected. When your kidneys get sluggish and clog, you suffer from backache, sick-headache, dizzy spells, or twinges and pains of lumbago, rheumatism or gout; or sleep is disturbed two or three times a night, take heed, before too late. Get Anuric (anti-uric-acid), for it will put new life into your kidneys and your entire system. Ask your nearest druggist for it or send Dr. Pierce ten cents for trial package.
